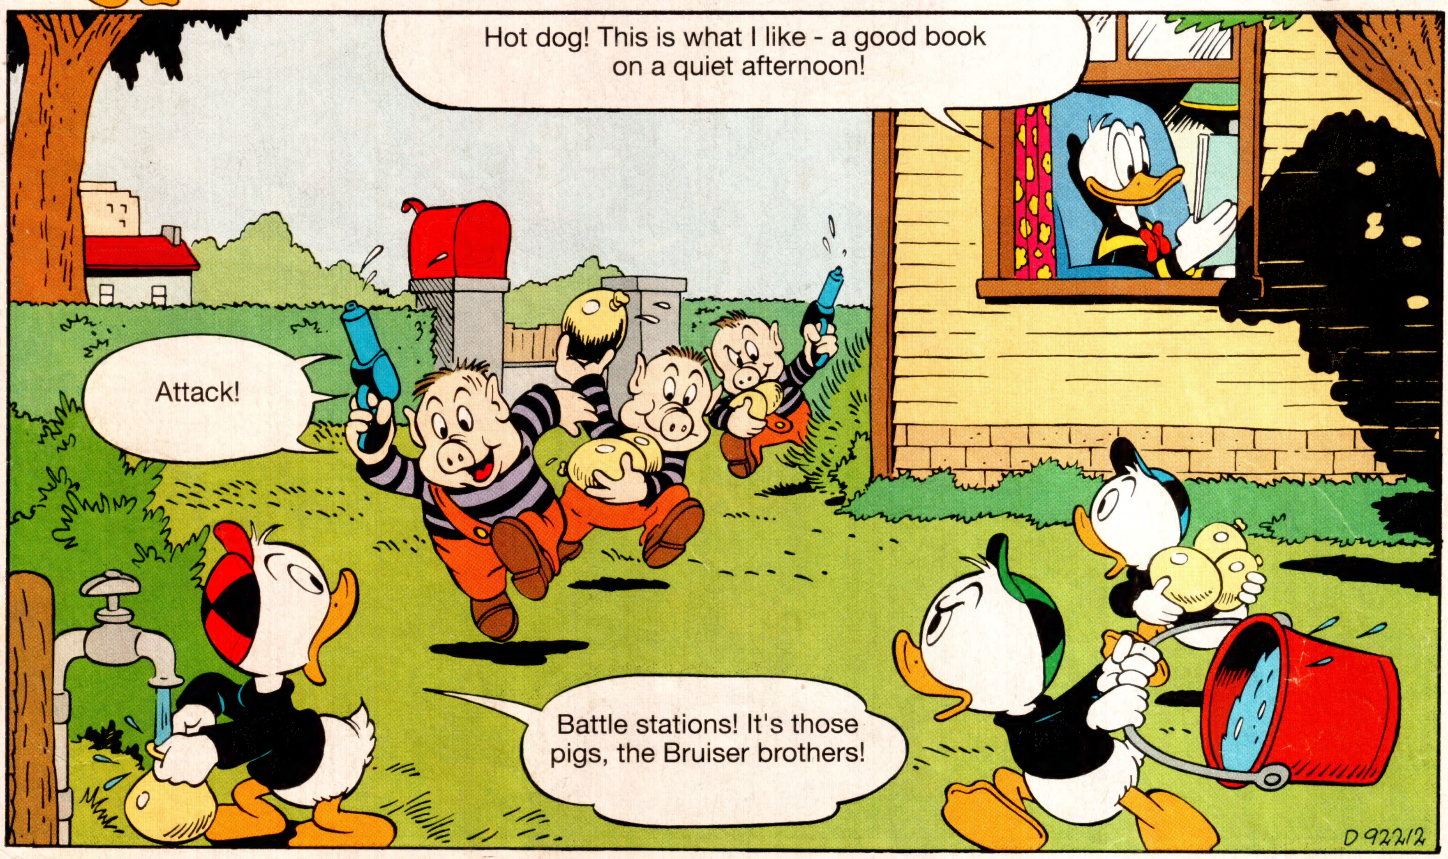
DONALD DUCK

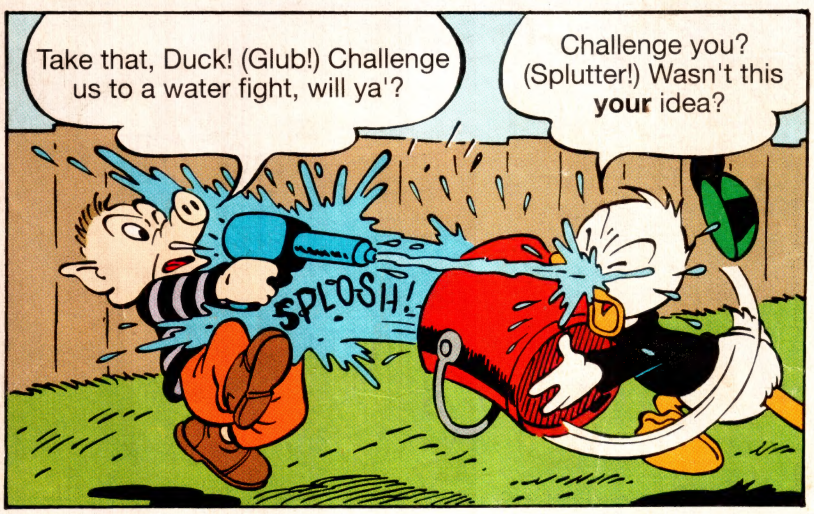
1993 - 35 Aug 28th

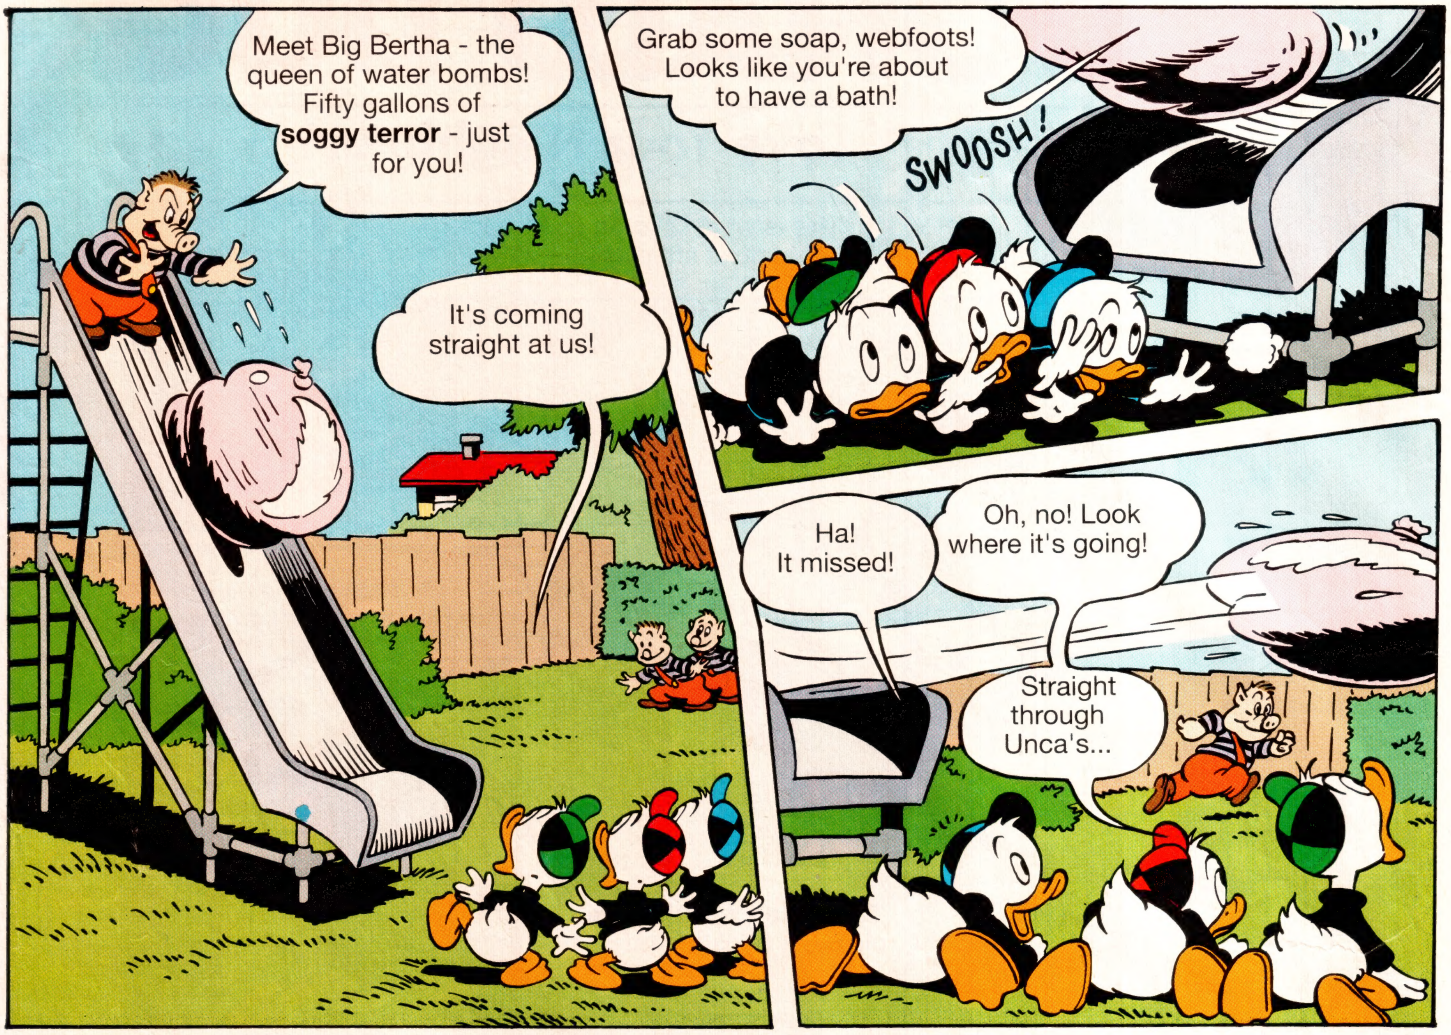
Love Your Neighbour!



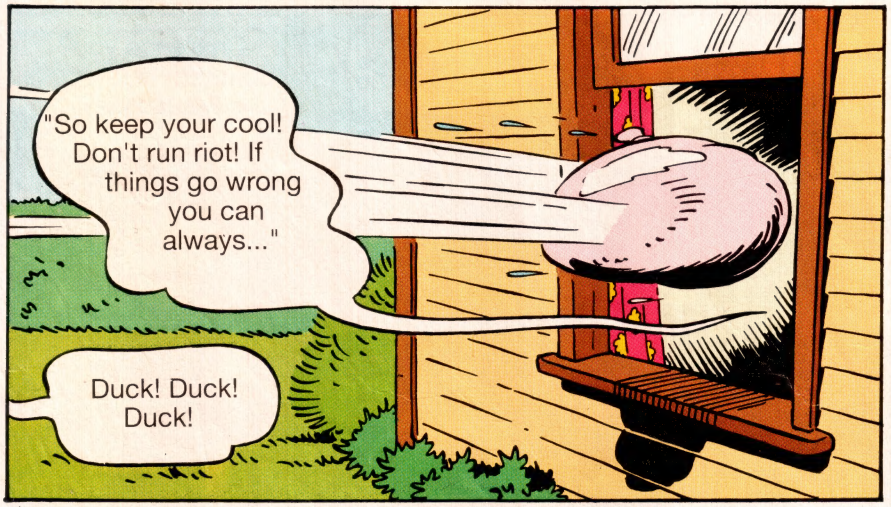
Hot dog! This is what I like - a good book on a quiet afternoon!
Attack!
Battle stations! It's those pigs, the Bruiser brothers!
D 92212

"The troubles of the world will end when we treat our enemies as friends!"
Wise words! Yes, indeed!
PEACE AND HARMONY BY LETTSBEE PALS



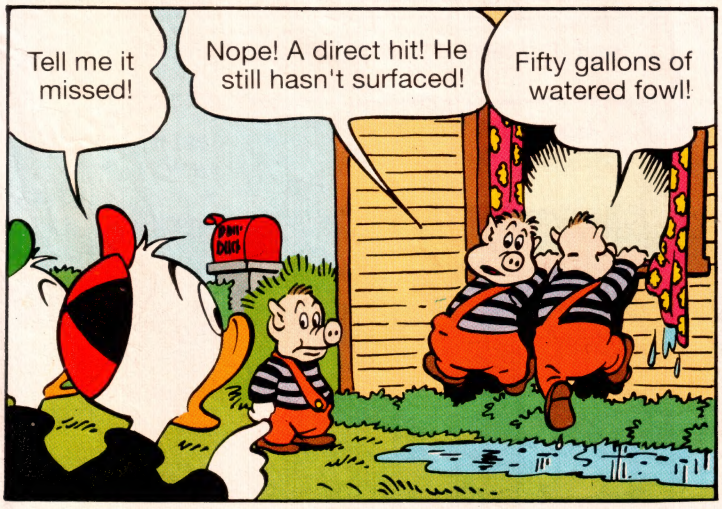


Meet Big Bertha - the queen of water bombs! Fifty gallons of **soggy terror** - just for you!
It's coming straight at us!
Grab some soap, webfoots! Looks like you're about to have a bath!
SWOOSH!
Ha! It missed!
Oh, no! Look where it's going!
Straight through Unca's...

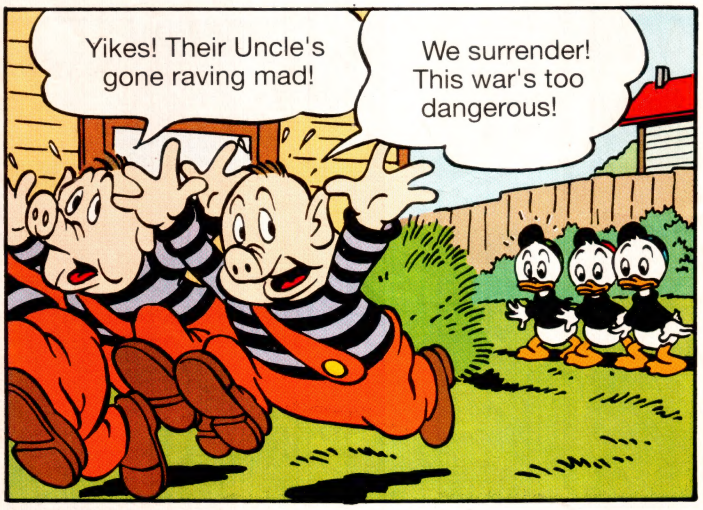


"So keep your cool! Don't run riot! If things go wrong you can always..."
Duck! Duck! Duck!

SPLAT!

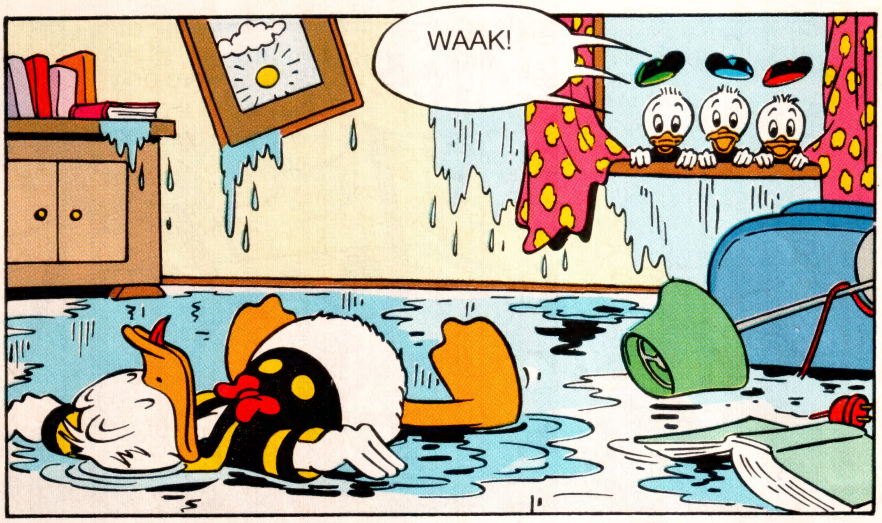


Tell me it missed!
Nope! A direct hit! He still hasn't surfaced!
Fifty gallons of watered fowl!

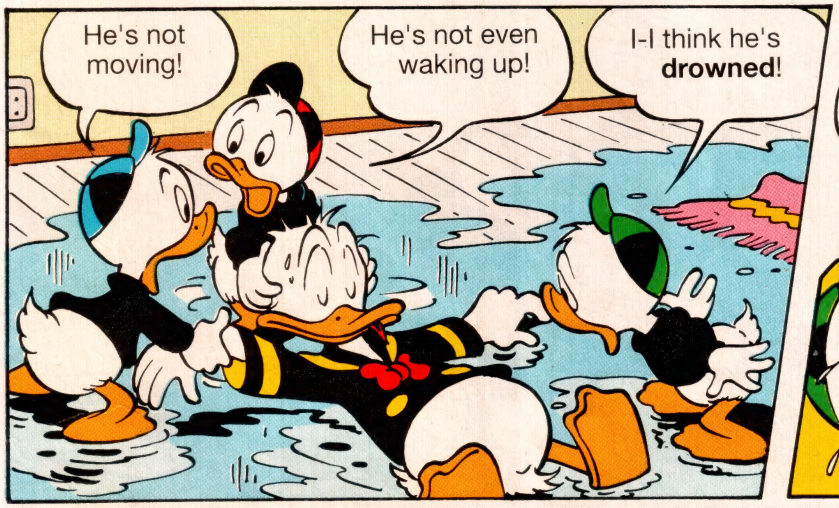


Yikes! Their Uncle's gone raving mad!
We surrender! This war's too dangerous!

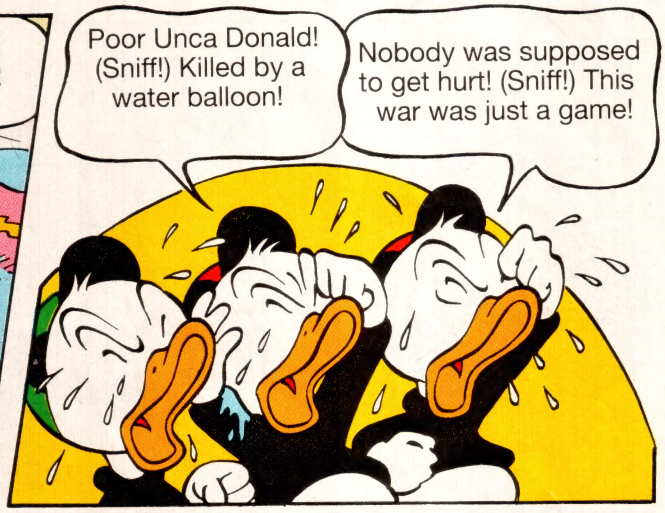
Cowards!
Leaving us to face Unca Donald alone!
Let's get it over with! How bad can it be?



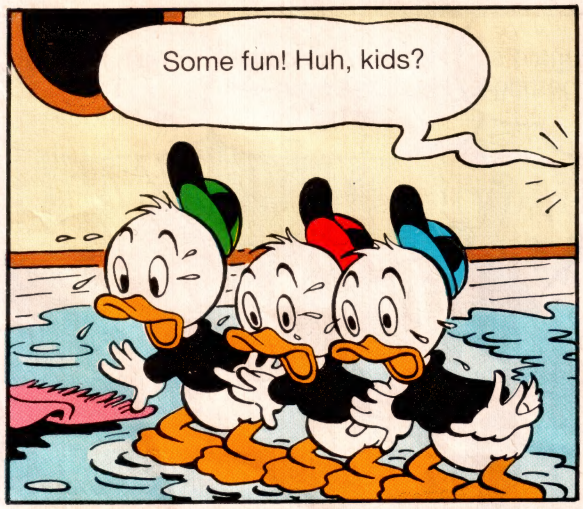
WAAK!



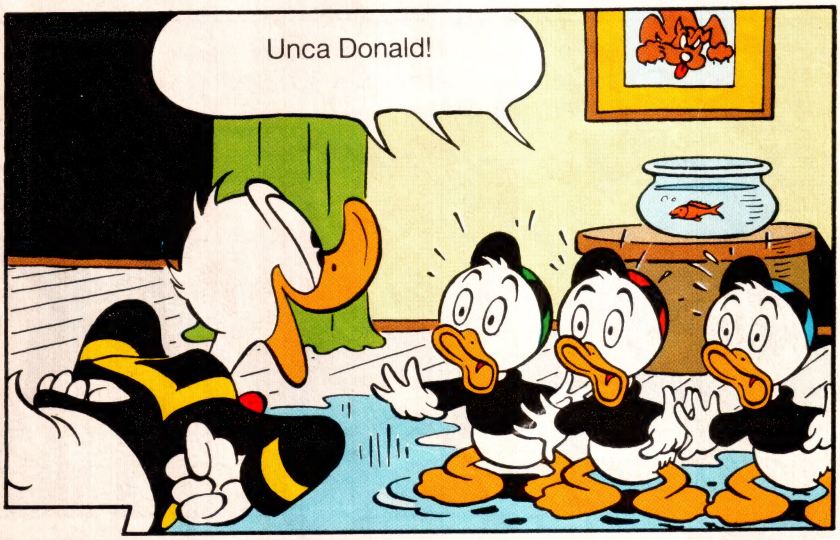
He's not moving!
He's not even waking up!
I-I think he's **drowned**!



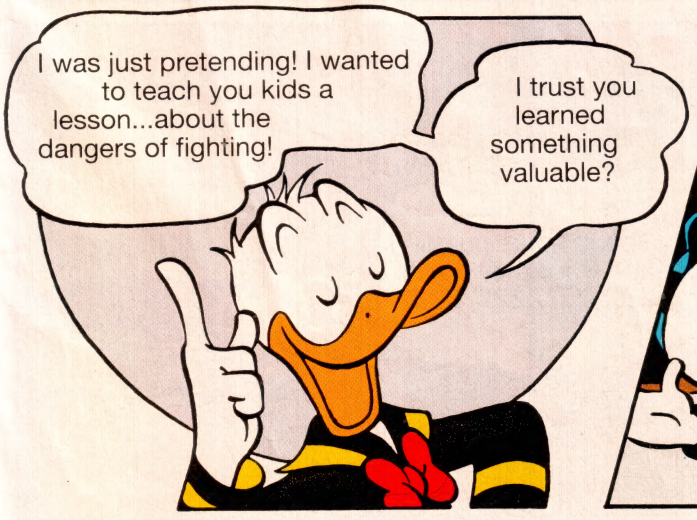
Poor Unca Donald! (Sniff!) Killed by a water balloon!
Nobody was supposed to get hurt! (Sniff!) This war was just a game!



Some fun! Huh, kids?



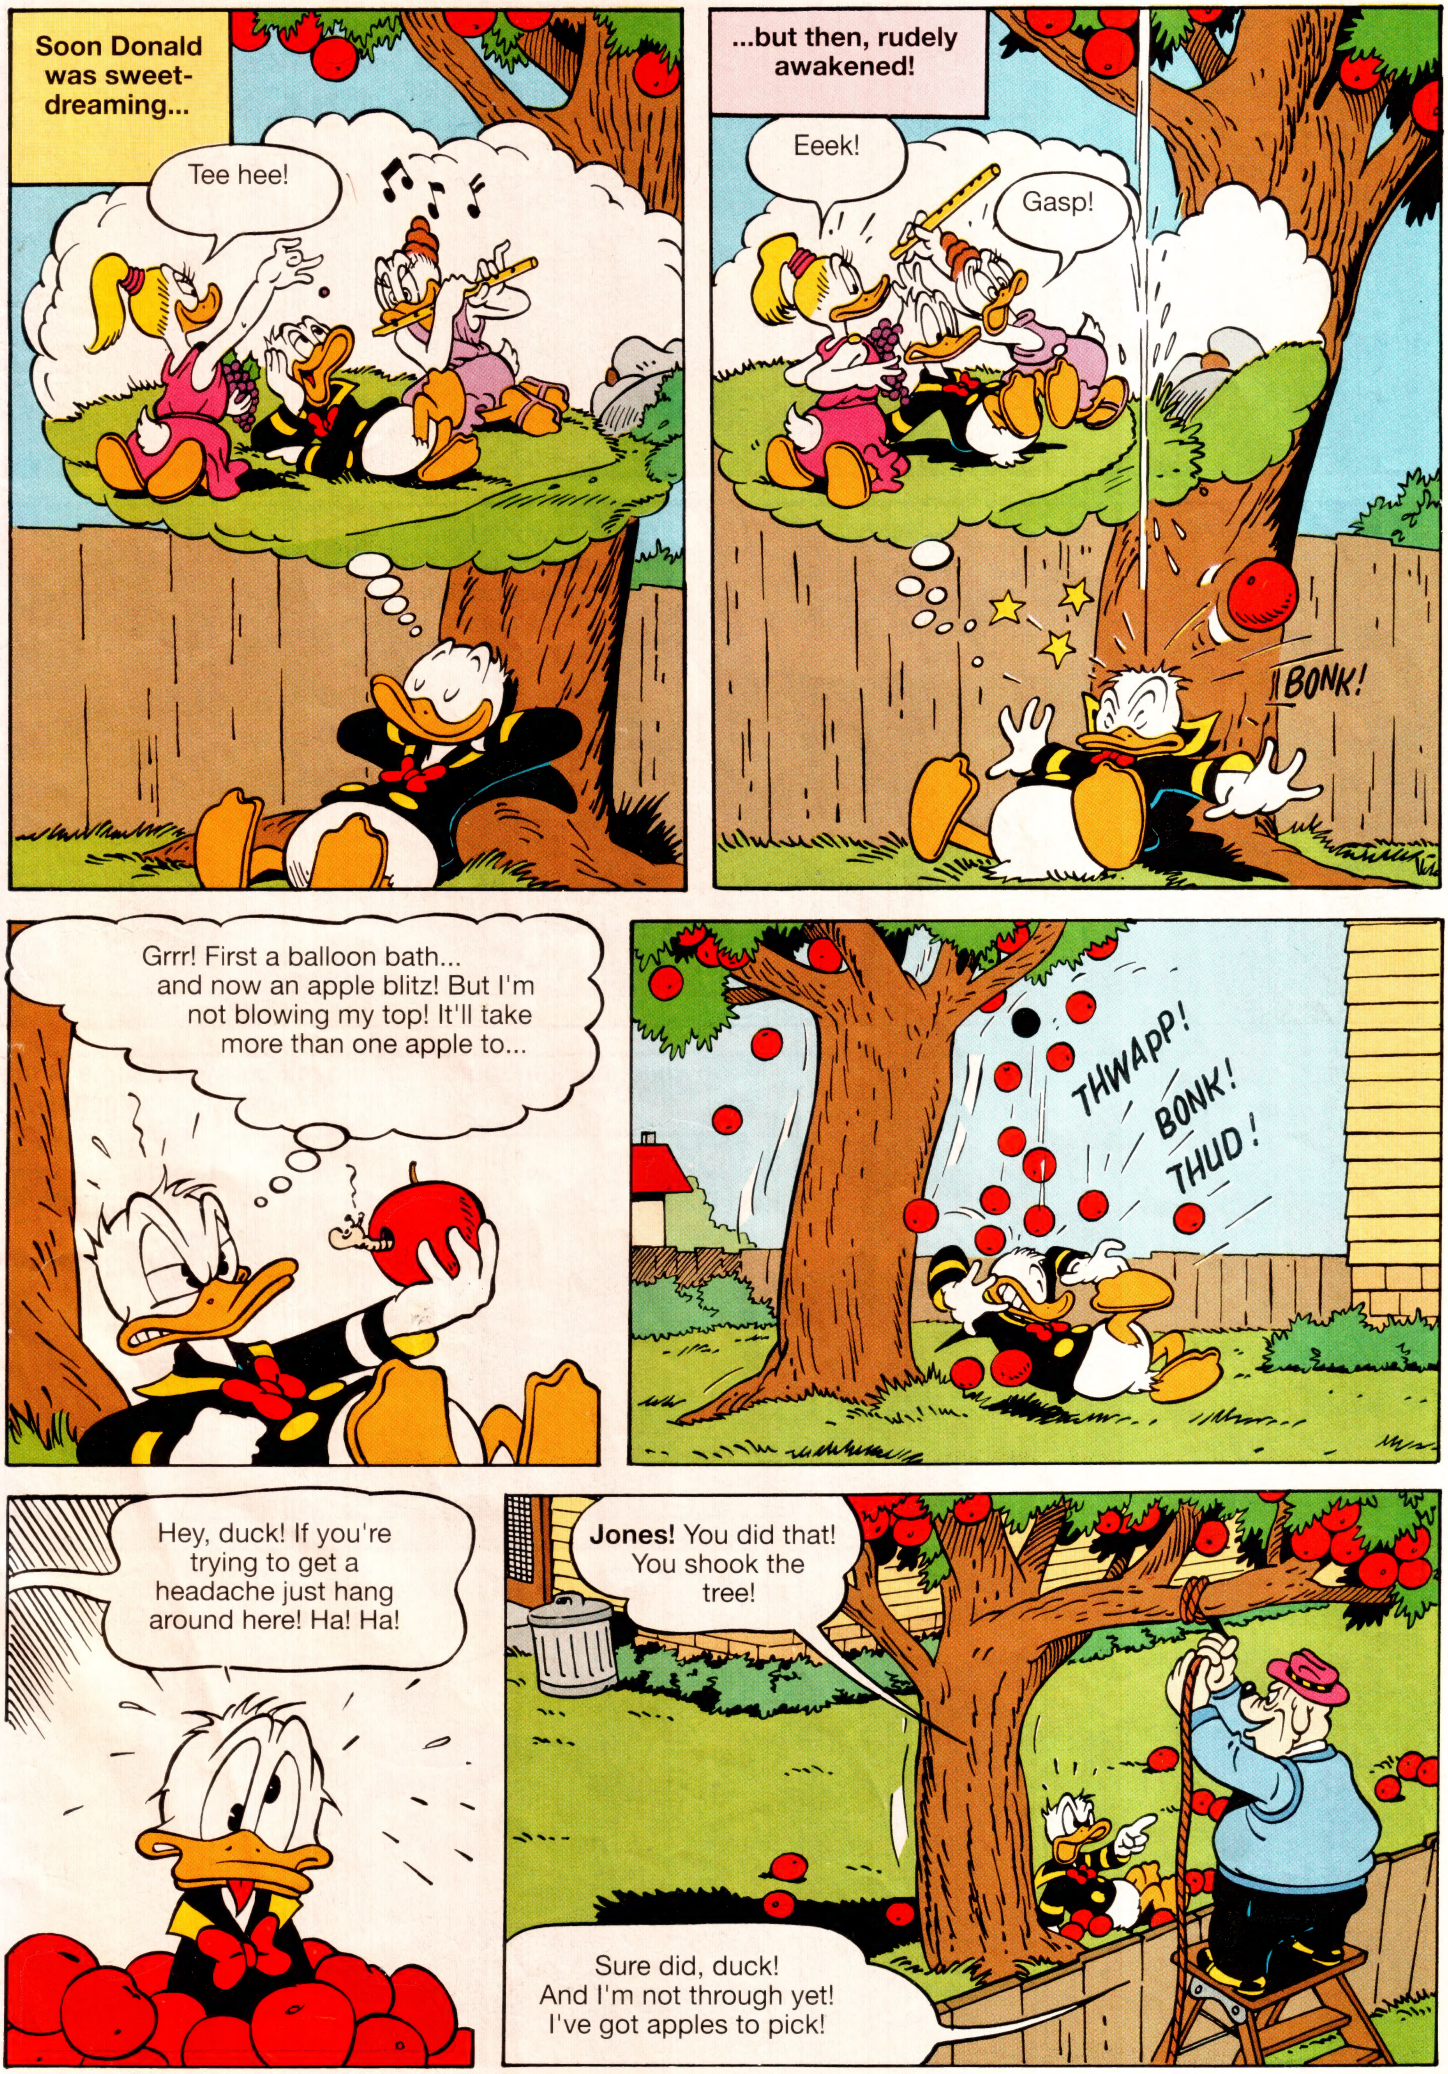
Unca Donald!



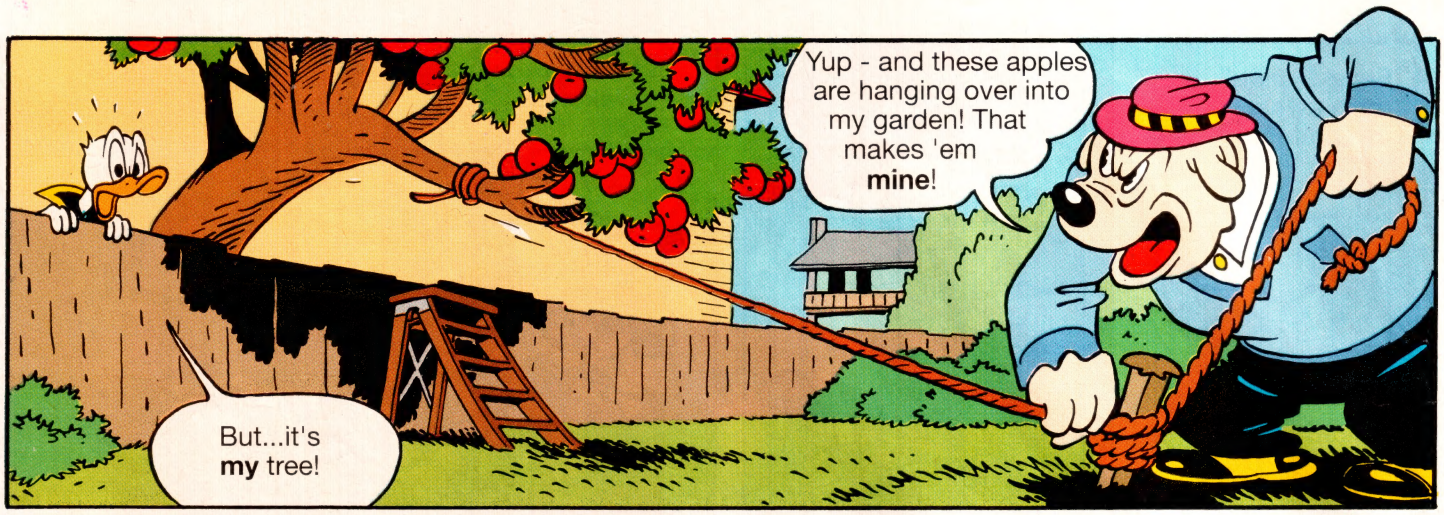
I was just pretending! I wanted to teach you kids a lesson...about the dangers of fighting!
I trust you learned something valuable?

We sure did! Those giant water bombs are **great!** How much are they?
We've gotta get some - bigger and wetter!

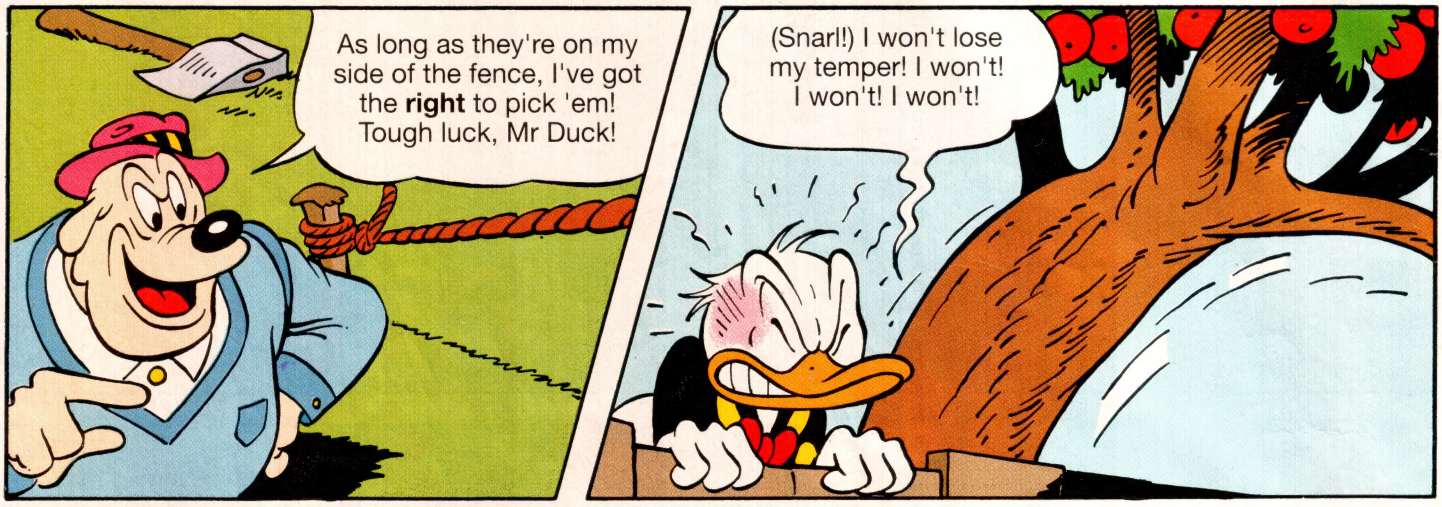
Start mopping up, warmongers! You're going to be far too **busy** to attack anyone!
But we were only playing! It was a friendly fight!
All fighting is dangerous! "Today's silly squabble is tomorrow's world war!" It says so right here!
It does?
Thanks to that book, I'm a new duck! Sweet-tempered! Understanding! **Oozing** with the milk of human kindness!
Sounds sticky!
PEACE AND HARMONY BY LETTSBEE PALS
Wow-ee! What a load of bunk!
It's got to be a joke!
Think while you mop, boys! You might learn something! Meanwhile, I'll be in the garden...meditating!
Meditating? **You?**
Unca Donald's brain is getting soggy!
He's so...so calm! He didn't even yell at us!
I wish he had! This is...**spooky**!
(Yawn!) If I'd blown a gasket, the kids would have ignored me! But not now!
They'll spend hours puzzling it out...and while they do it'll be as quiet as...ZZZZ! ZZZZ!



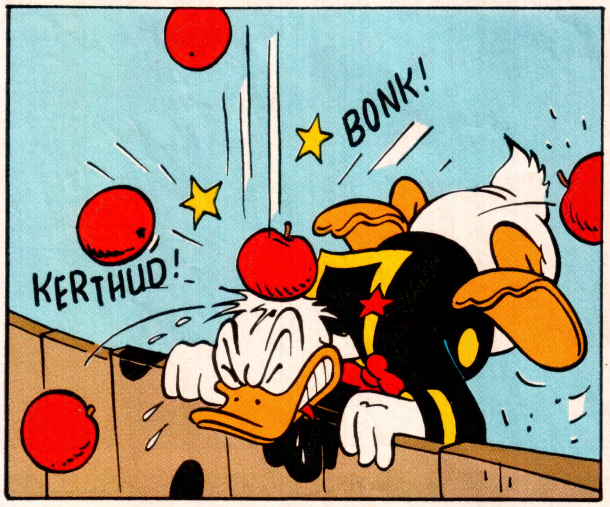
Soon Donald was sweet-dreaming...
Tee hee!
...but then, rudely awakened!
Eeek!
Gasp!
BONK!
Grrr! First a balloon bath... and now an apple blitz! But I'm not blowing my top! It'll take more than one apple to...
THWAPP!
BONK!
THUD!
Hey, duck! If you're trying to get a headache just hang around here! Ha! Ha!
Jones! You did that! You shook the tree!
Sure did, duck! And I'm not through yet! I've got apples to pick!



Yup - and these apples are hanging over into my garden! That makes 'em **mine**!
But...it's **my** tree!

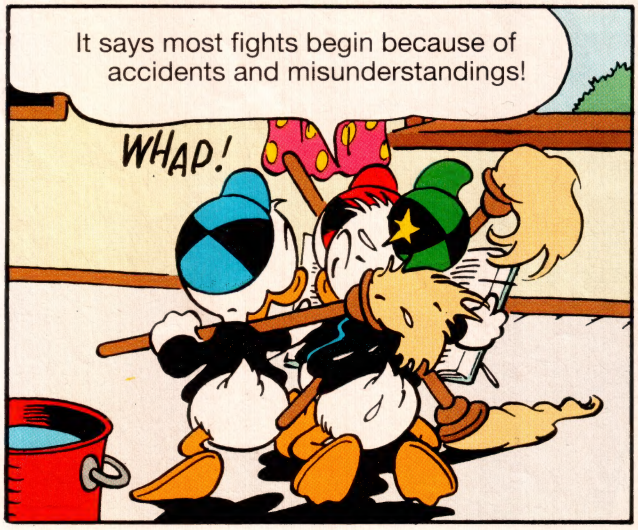


As long as they're on my side of the fence, I've got the **right** to pick 'em! Tough luck, Mr Duck!
(Snarl!) I won't lose my temper! I won't! I won't! I won't!

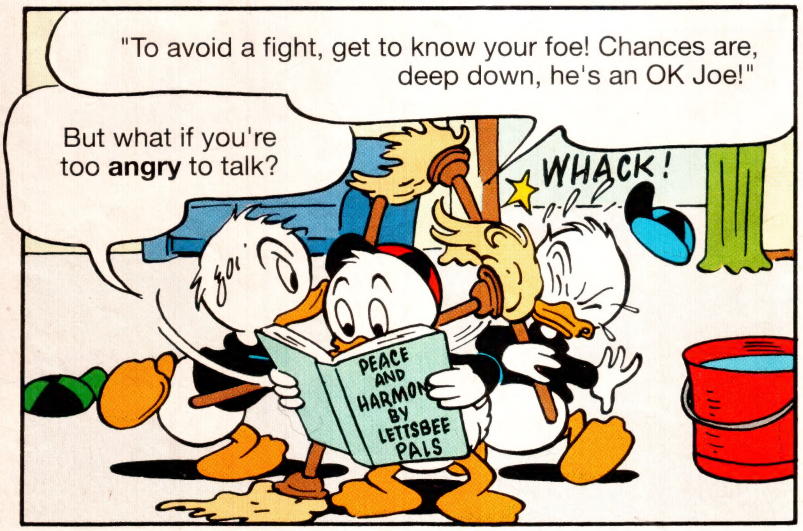


BONK!
KERTHUD!

Meanwhile, back indoors...
I don't believe it! Some of this mumbo-jumbo actually makes sense!
Well, paint me yellow and call me a taxi!
PEACE AND HARMONY BY LETTSBEE PALS



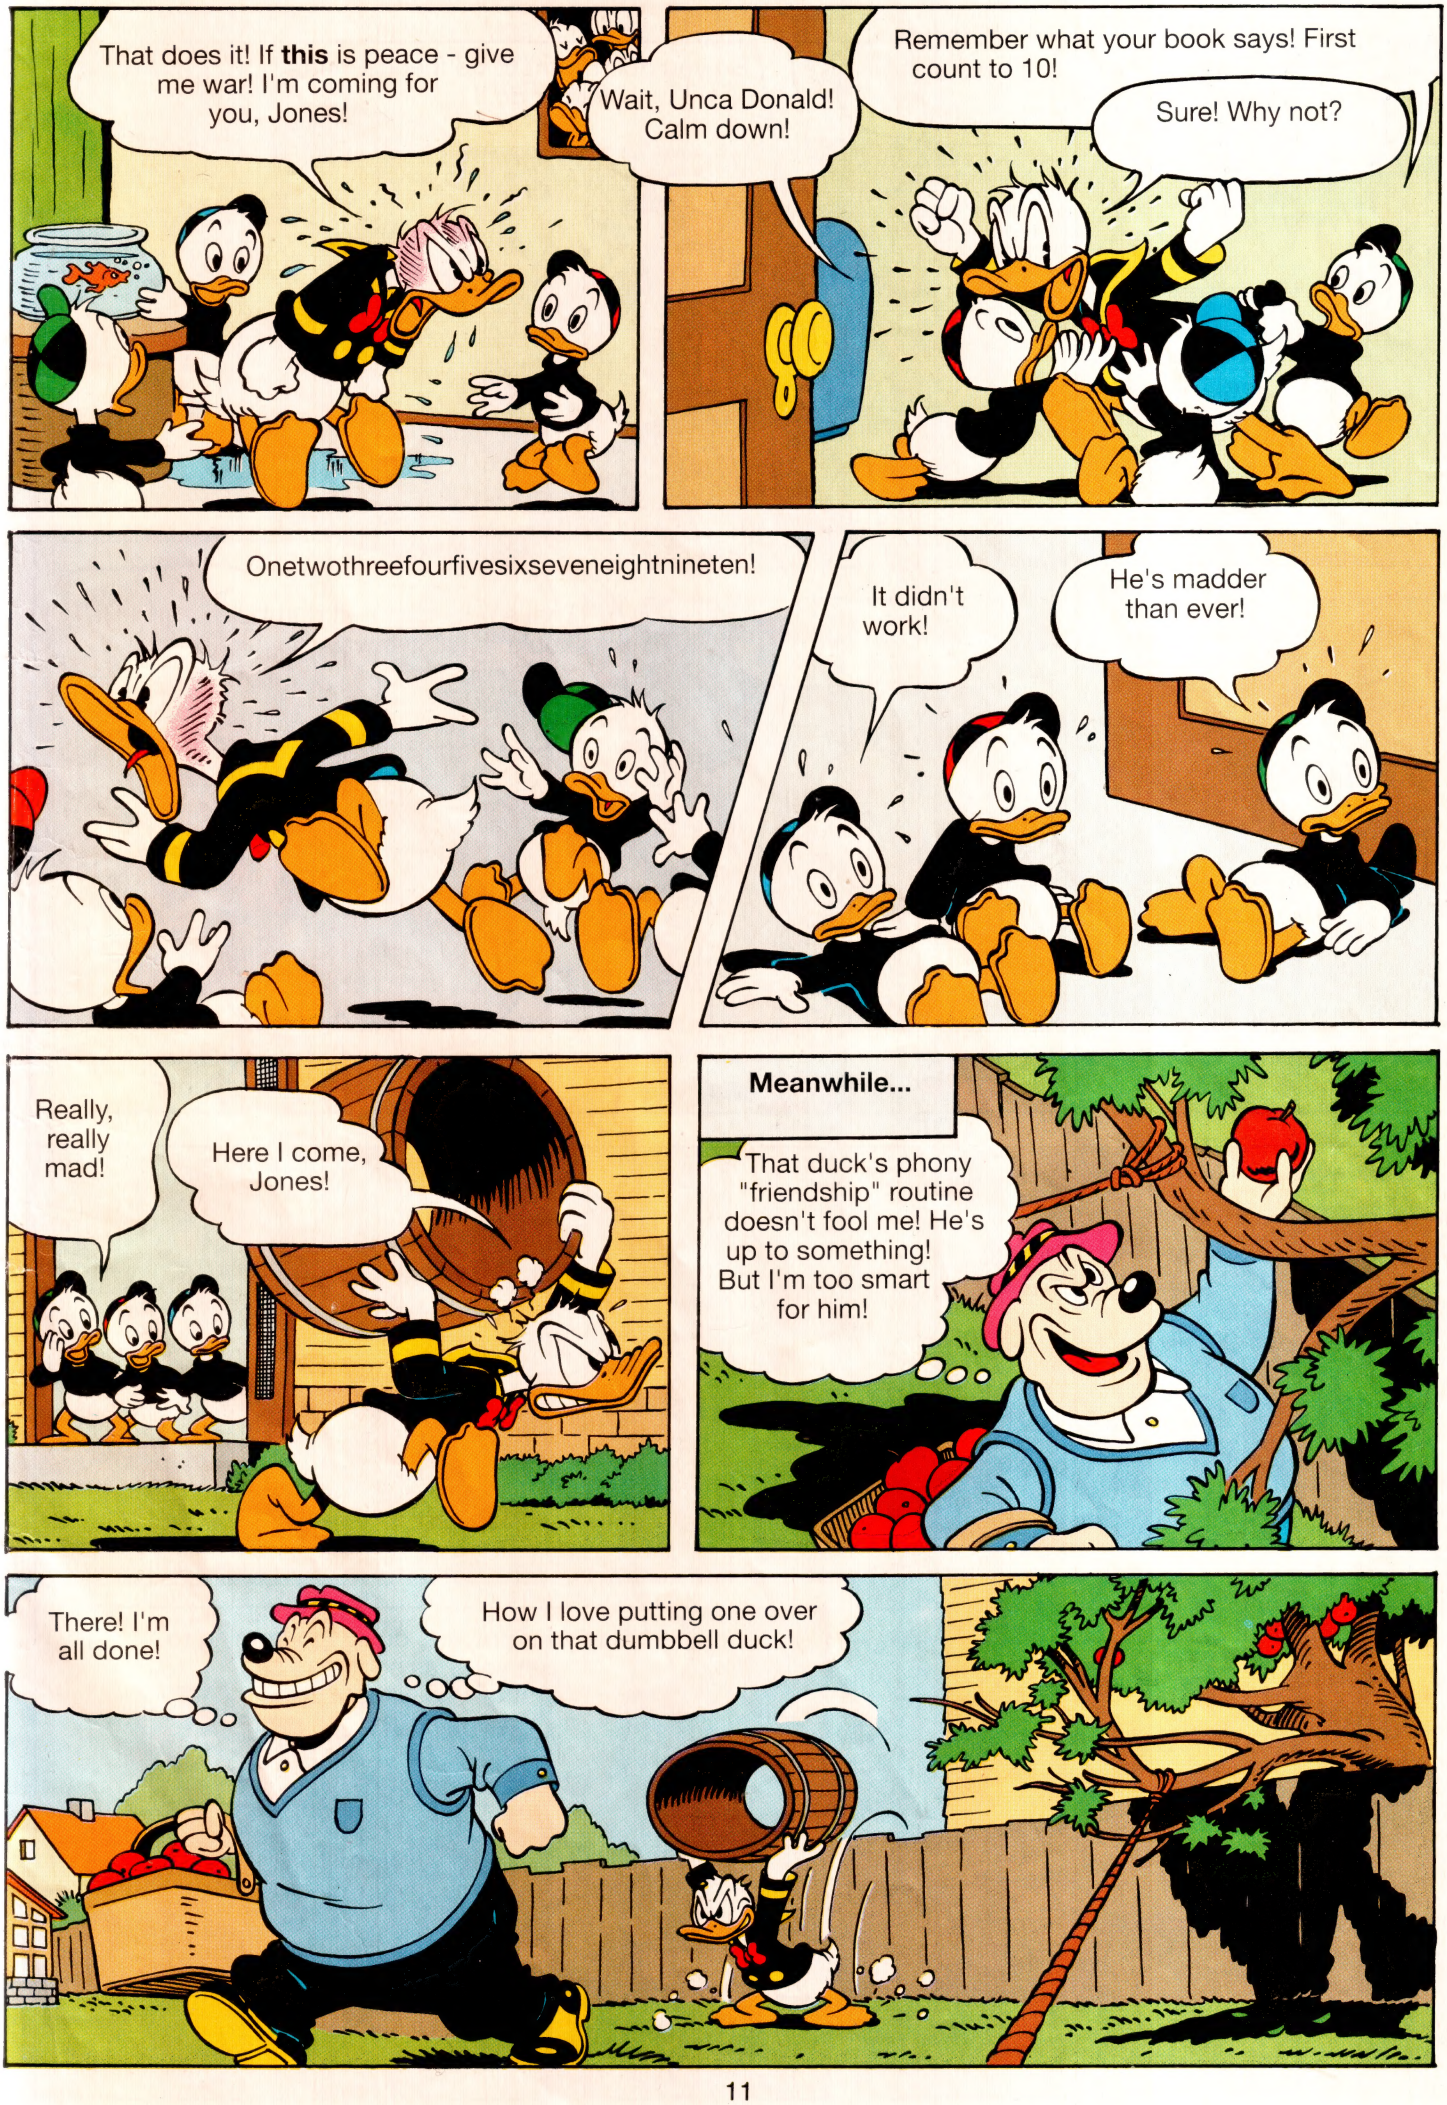
It says most fights begin because of accidents and misunderstandings!
WHAP!



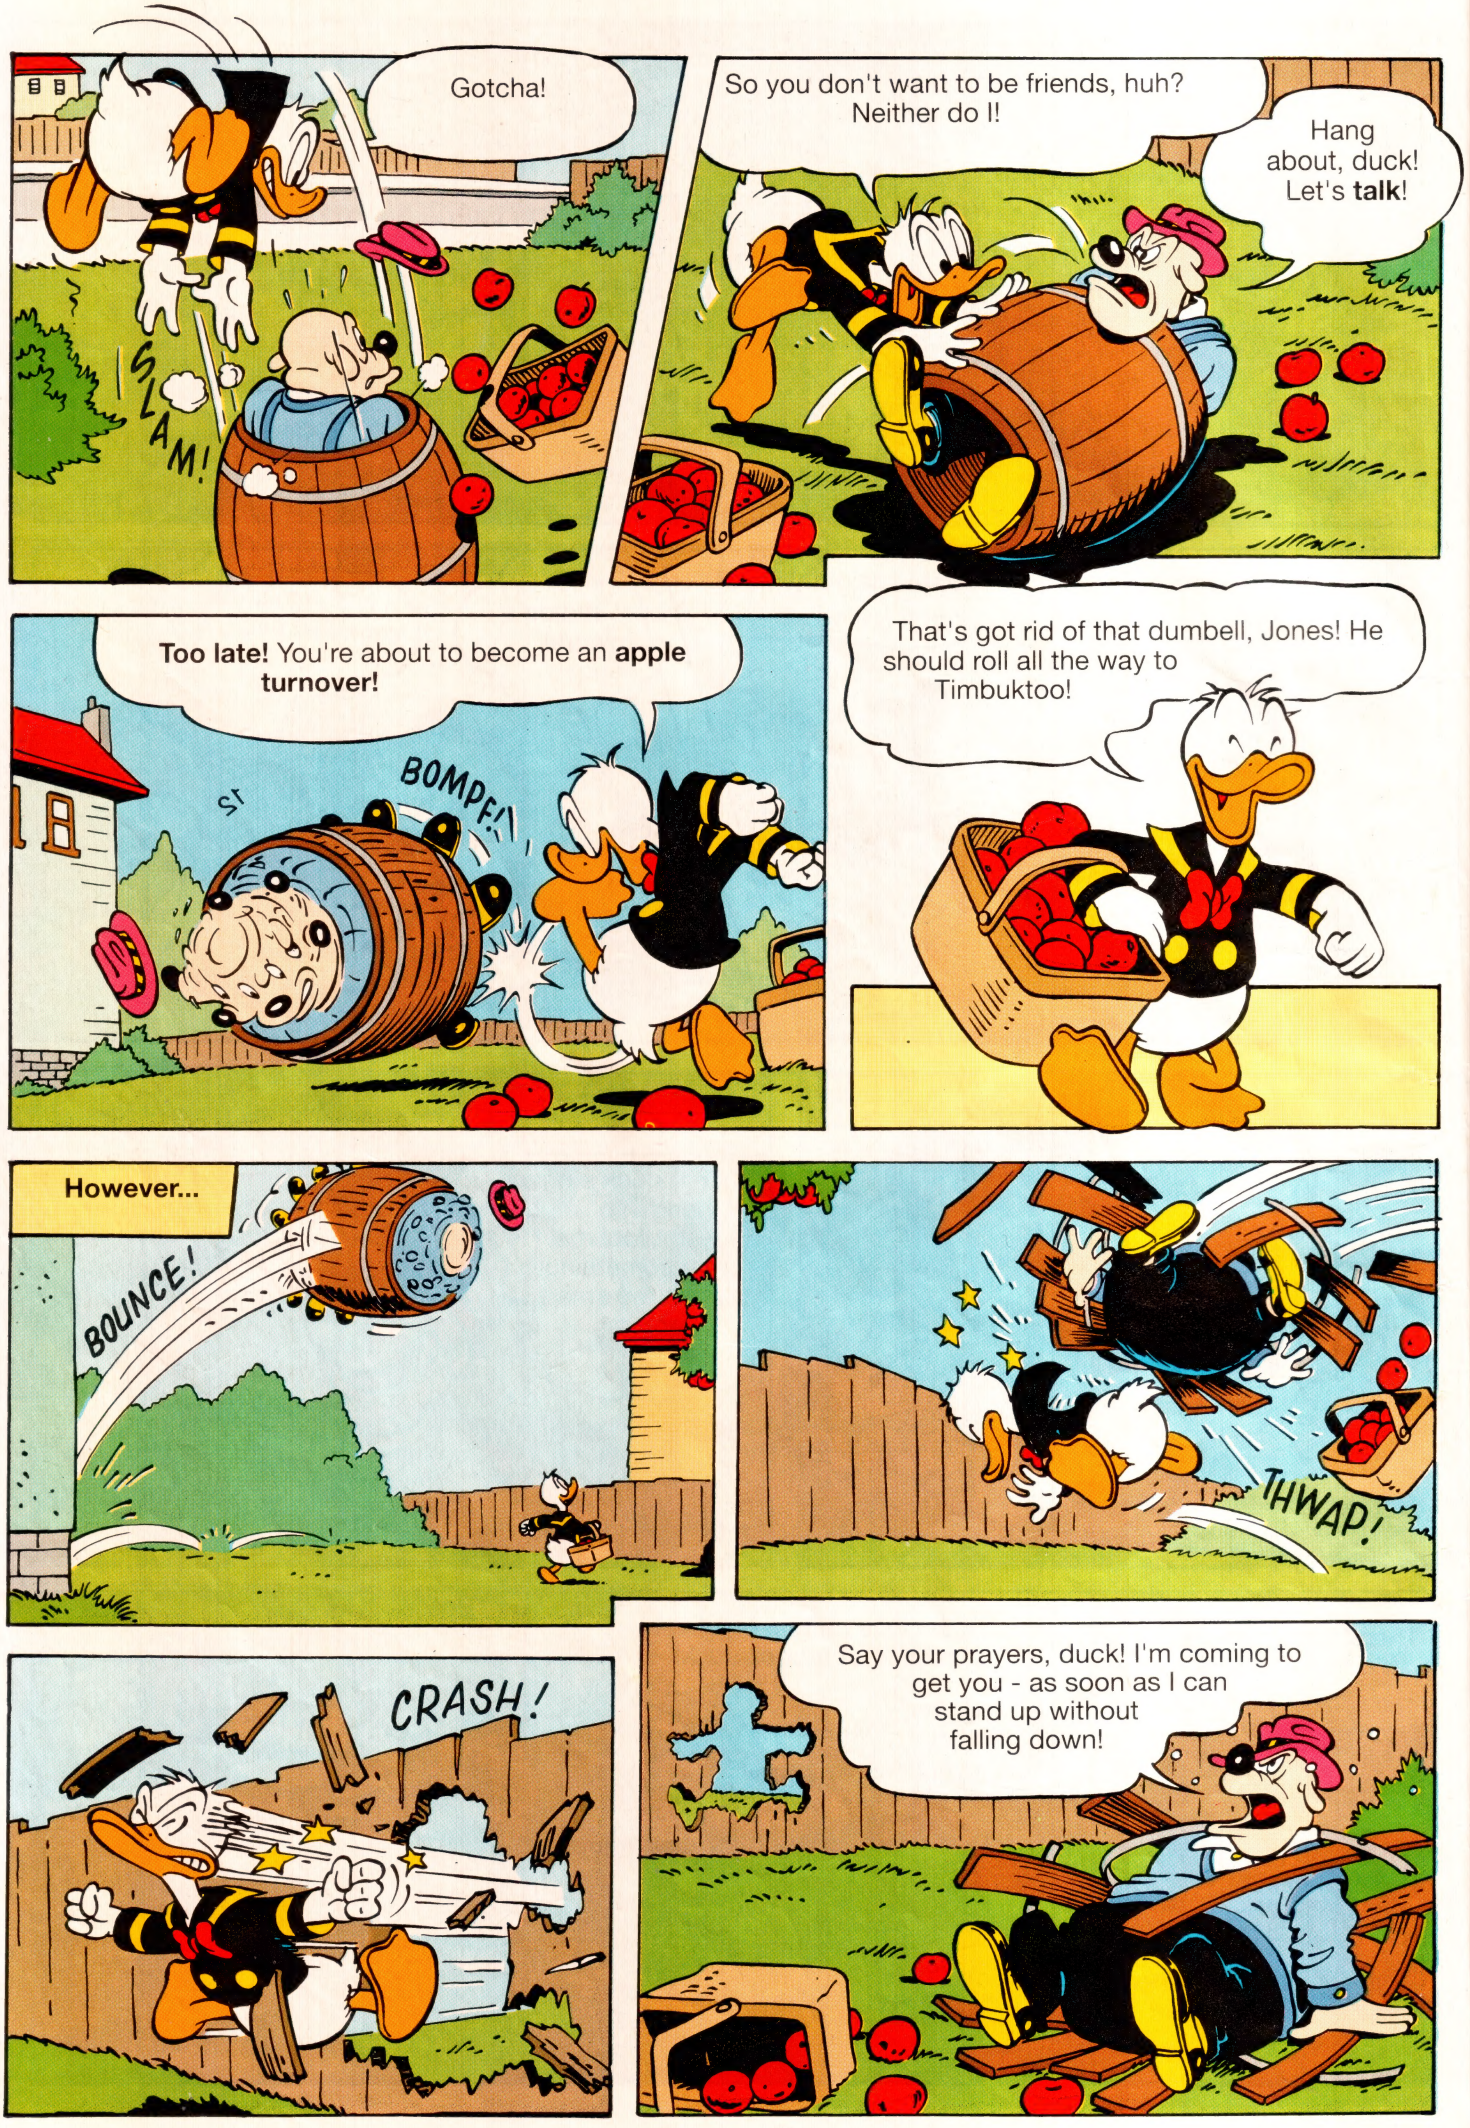
"To avoid a fight, get to know your foe! Chances are, deep down, he's an OK Joe!"
But what if you're too **angry** to talk?
WHACK!
PEACE AND HARMONY BY LETTSBEE PALS

That's easy! Listen to this!
"Instead of squawking like an angry hen..."
"...just take a breath and count to..."
...eight...nine...TEN!
An hour ago I'd have slugged that fruit filcher - and enjoyed it! But now I'm a reformed duck! I'll have to **reason** with Jones!
What do you want now - you web-footed weirdo?
Isn't it obvious? I want to end this feud! I want to be...(Snarl!) ...your **friend**!
You want to ruin a **good fight**? We still **hate** each other - don't we?
Not any longer, you over-stuffed orang-utan! We ought to be buddies - even if it kills us!
So tell me your sad story, pal! What terrible **tragedy** turned you into such a miserable fruit-nabbing fiend?
A childhood calamity? A teen-age trauma? As a boy were you bitten by a radioactive fruit fly?
No, duck! It's **simpler** than that!
I just like apples!
SLASH!

SPRING!
Yikes!
While back indoors...
This book's not bad - but it sure is corny!
Yeah! when you've read it, you almost expect...
...the dove of peace to come flying through the window!
WHOOSH!
SPLAT!
That's no dove!
Get him out quick! He's scaring the fish!
Glub! Glub!
POP!

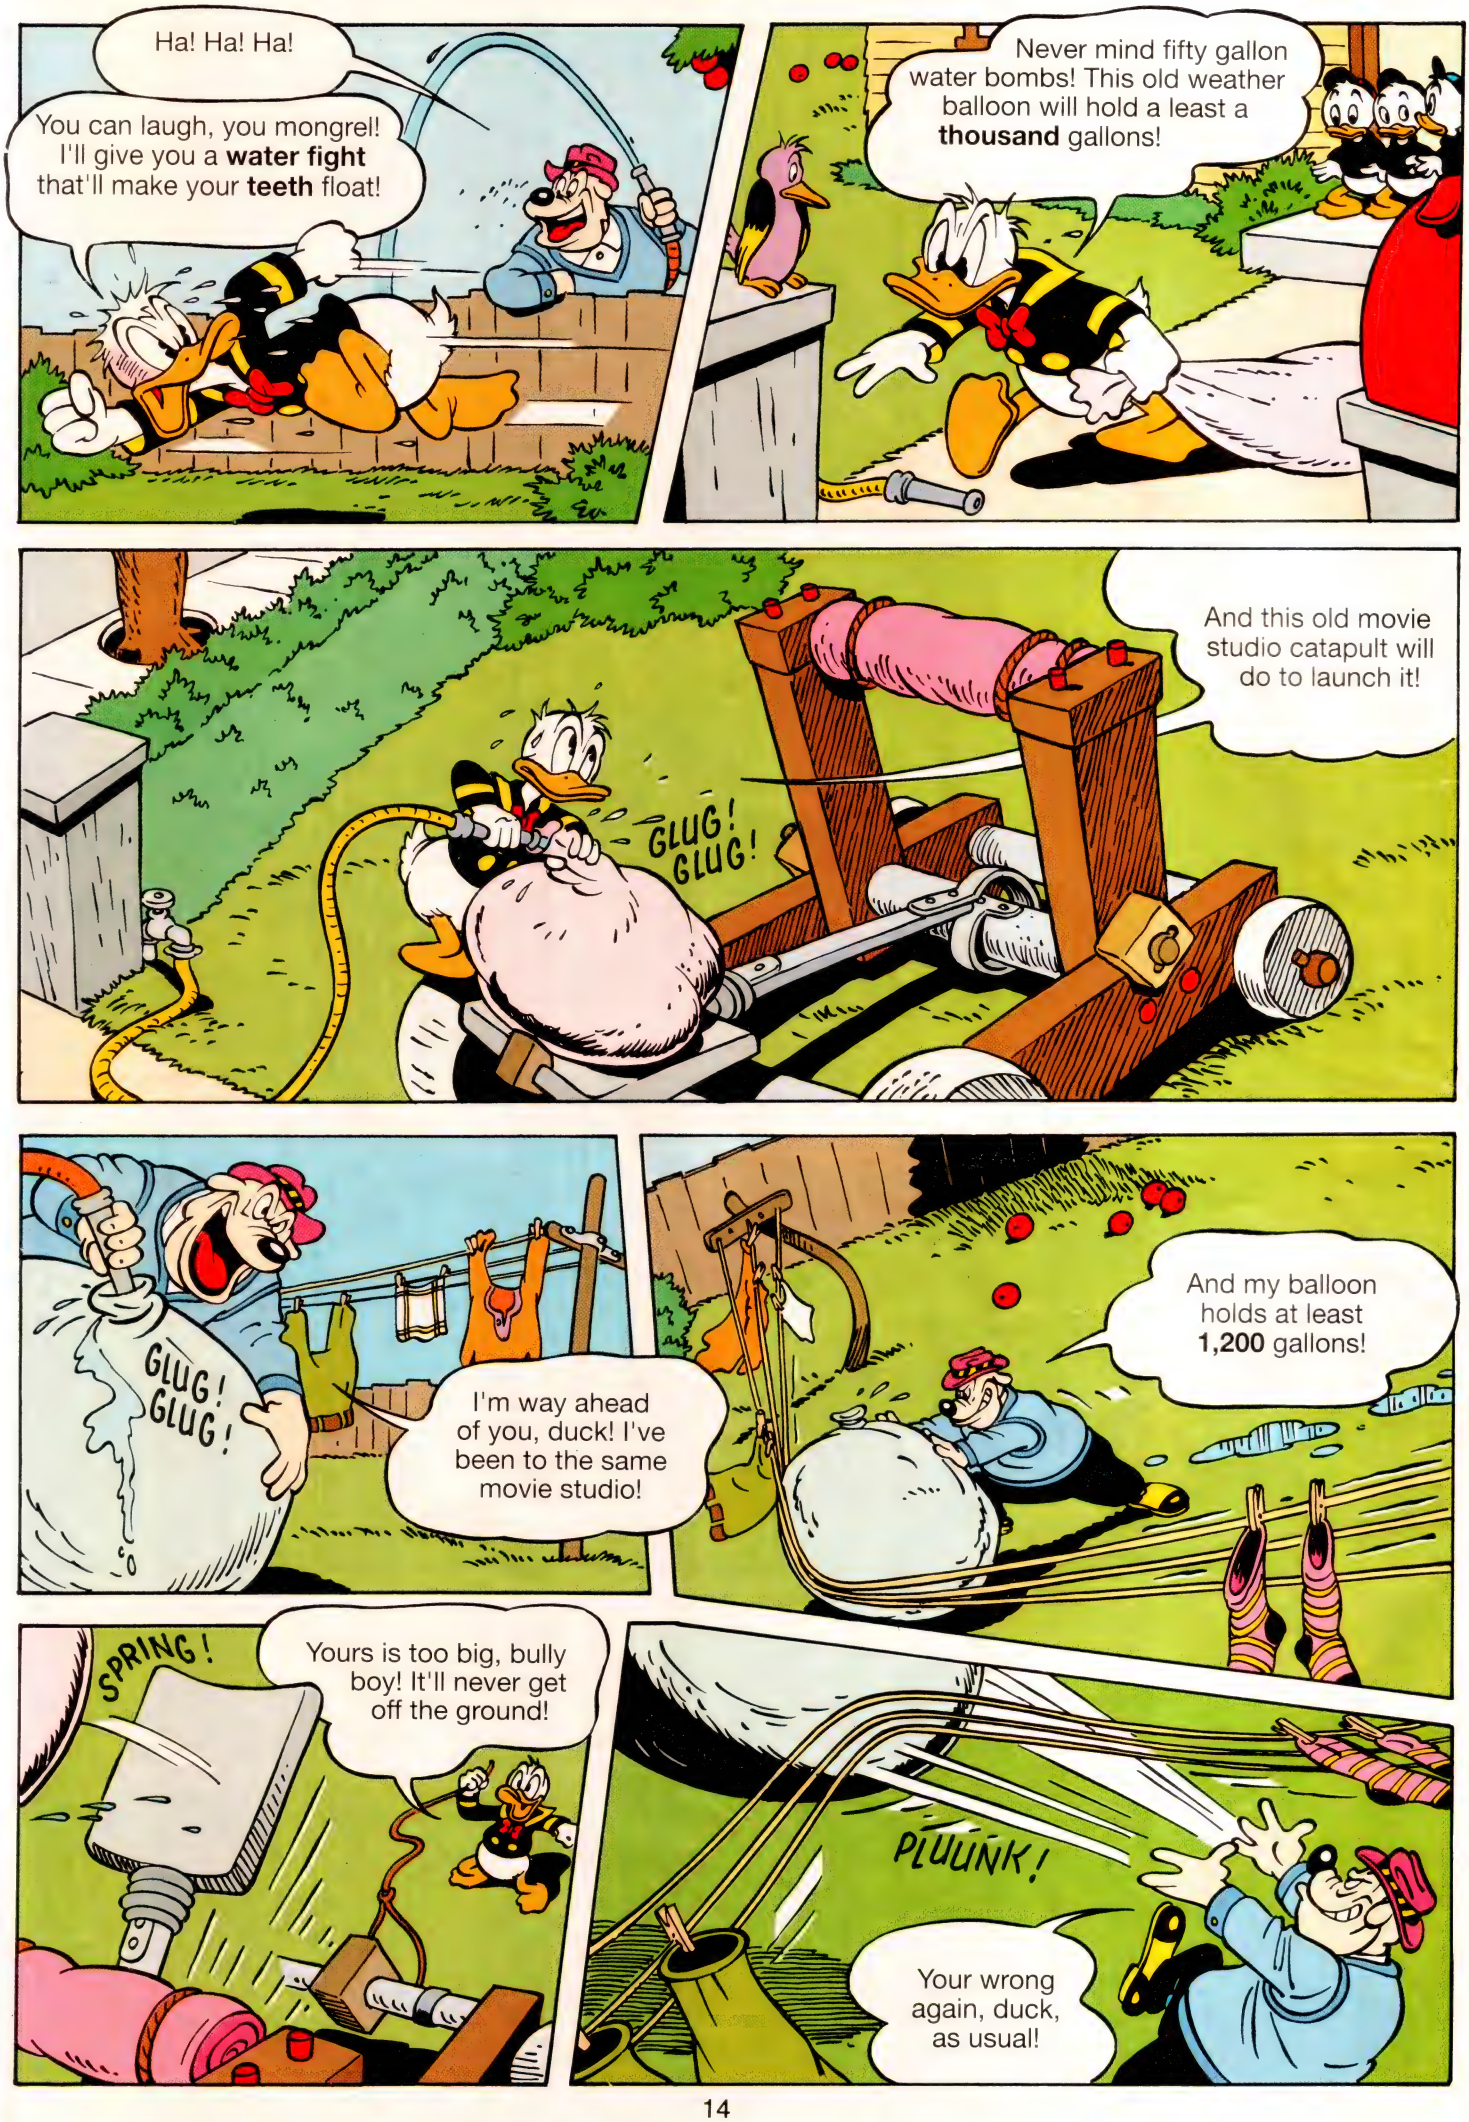


That does it! If **this** is peace - give me war! I'm coming for you, Jones!
Wait, Unca Donald! Calm down!
Remember what your book says! First count to 10!
Sure! Why not?
Onetwothreefourfivesixseveneightnineteen!
It didn't work!
He's madder than ever!
Really, really mad!
Here I come, Jones!
Meanwhile...
That duck's phony "friendship" routine doesn't fool me! He's up to something! But I'm too smart for him!
There! I'm all done!
How I love putting one over on that dumbbell duck!

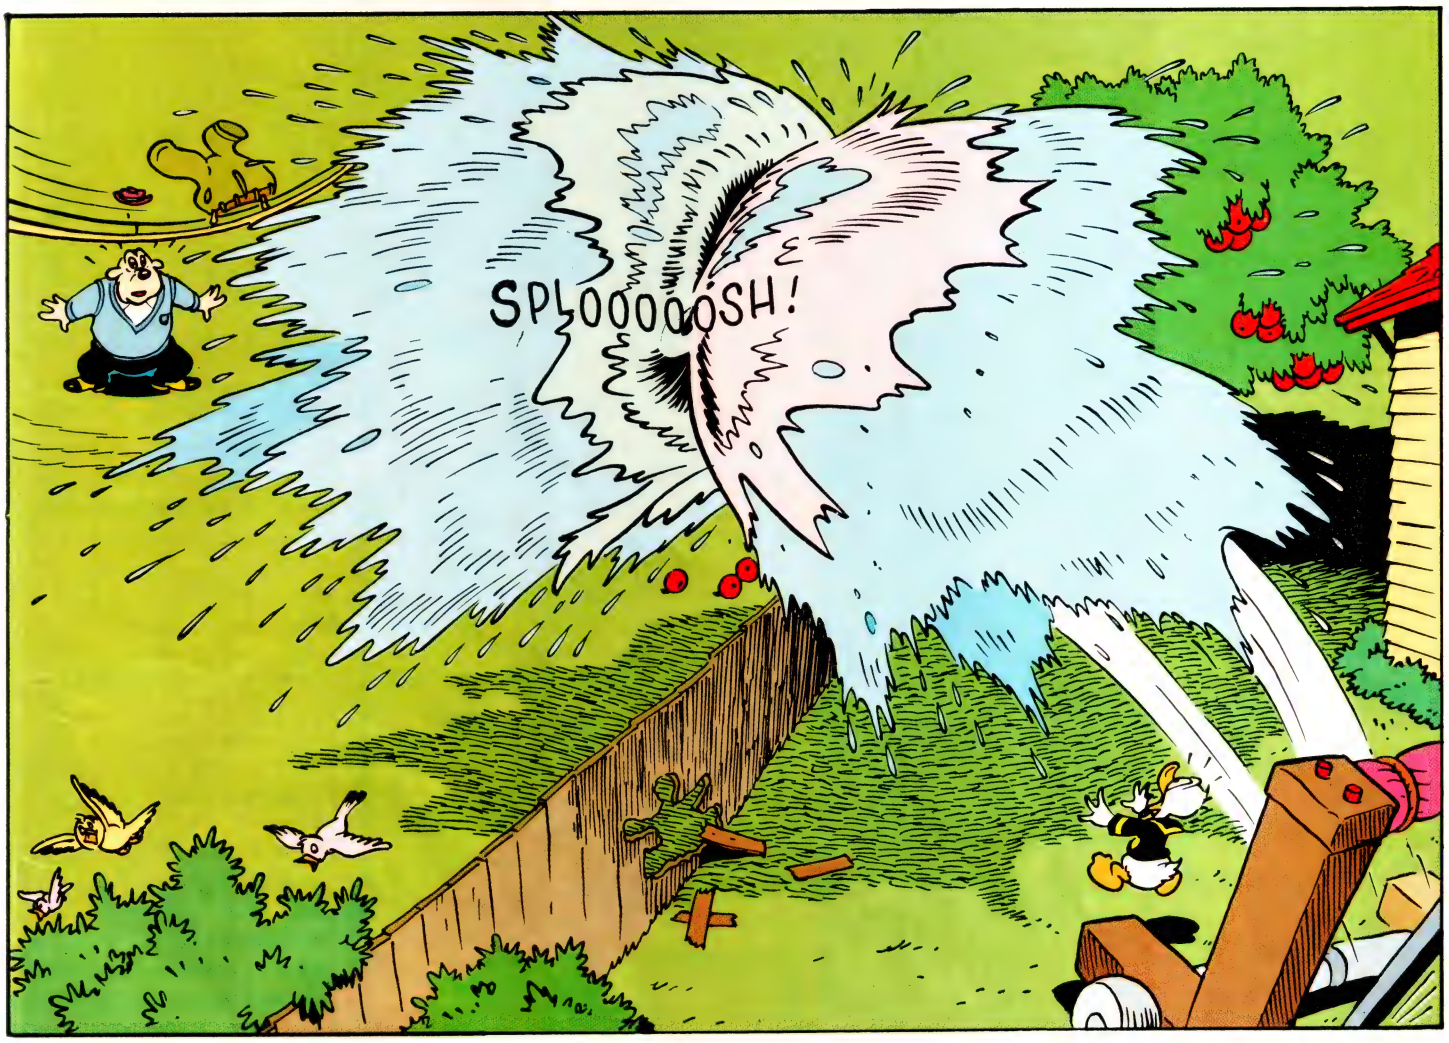


Gotcha!
SLAM!
So you don't want to be friends, huh? Neither do I!
Hang about, duck! Let's **talk**!
Too late! You're about to become an **apple turnover!**
BOMPF!
That's got rid of that dumbell, Jones! He should roll all the way to Timbuktoo!
However...
BOUNCE!
THWAP!
CRASH!
Say your prayers, duck! I'm coming to get you - as soon as I can stand up without falling down!

You won't hide from me! I'll find you, and when I do...
I'm not hiding, neighbour! I just figured you needed a little **pick-me-up**!
And **here** it is!
SQUIRT!
YEOOOW!
What a pong! what is it? Stop it!
Ye-oow! It stinks!
FISH FERTILIZER
Keep scrubbing, Jones! This stuff can make a skunk blush!
Give up now, Jones, and I might even lend you a lemon-scented scouring pad!
SPLOOSH!
NO!



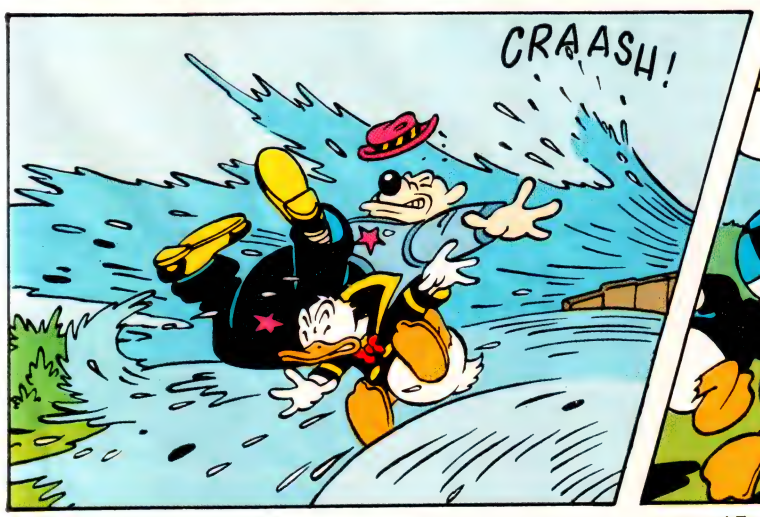
Ha! Ha! Ha!
You can laugh, you mongrel! I'll give you a **water fight** that'll make your **teeth** float!
Never mind fifty gallon water bombs! This old weather balloon will hold a least a **thousand** gallons!
And this old movie studio catapult will do to launch it!
GLUG! GLUG!
GLUG! GLUG!
I'm way ahead of you, duck! I've been to the same movie studio!
And my balloon holds at least **1,200** gallons!
SPRING!
Yours is too big, bully boy! It'll never get off the ground!
PLUUNK!
Your wrong again, duck, as usual!



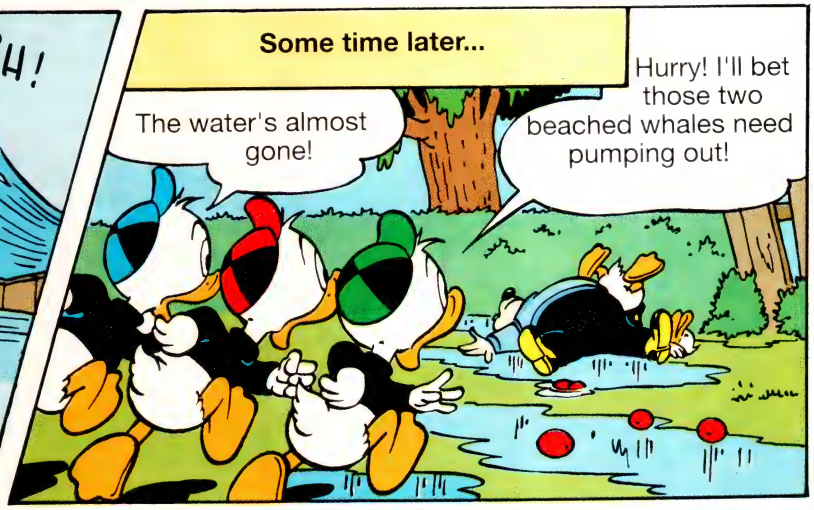
SPLOOOOOSH!

Ye-oow! Even **fish** don't get this wet!

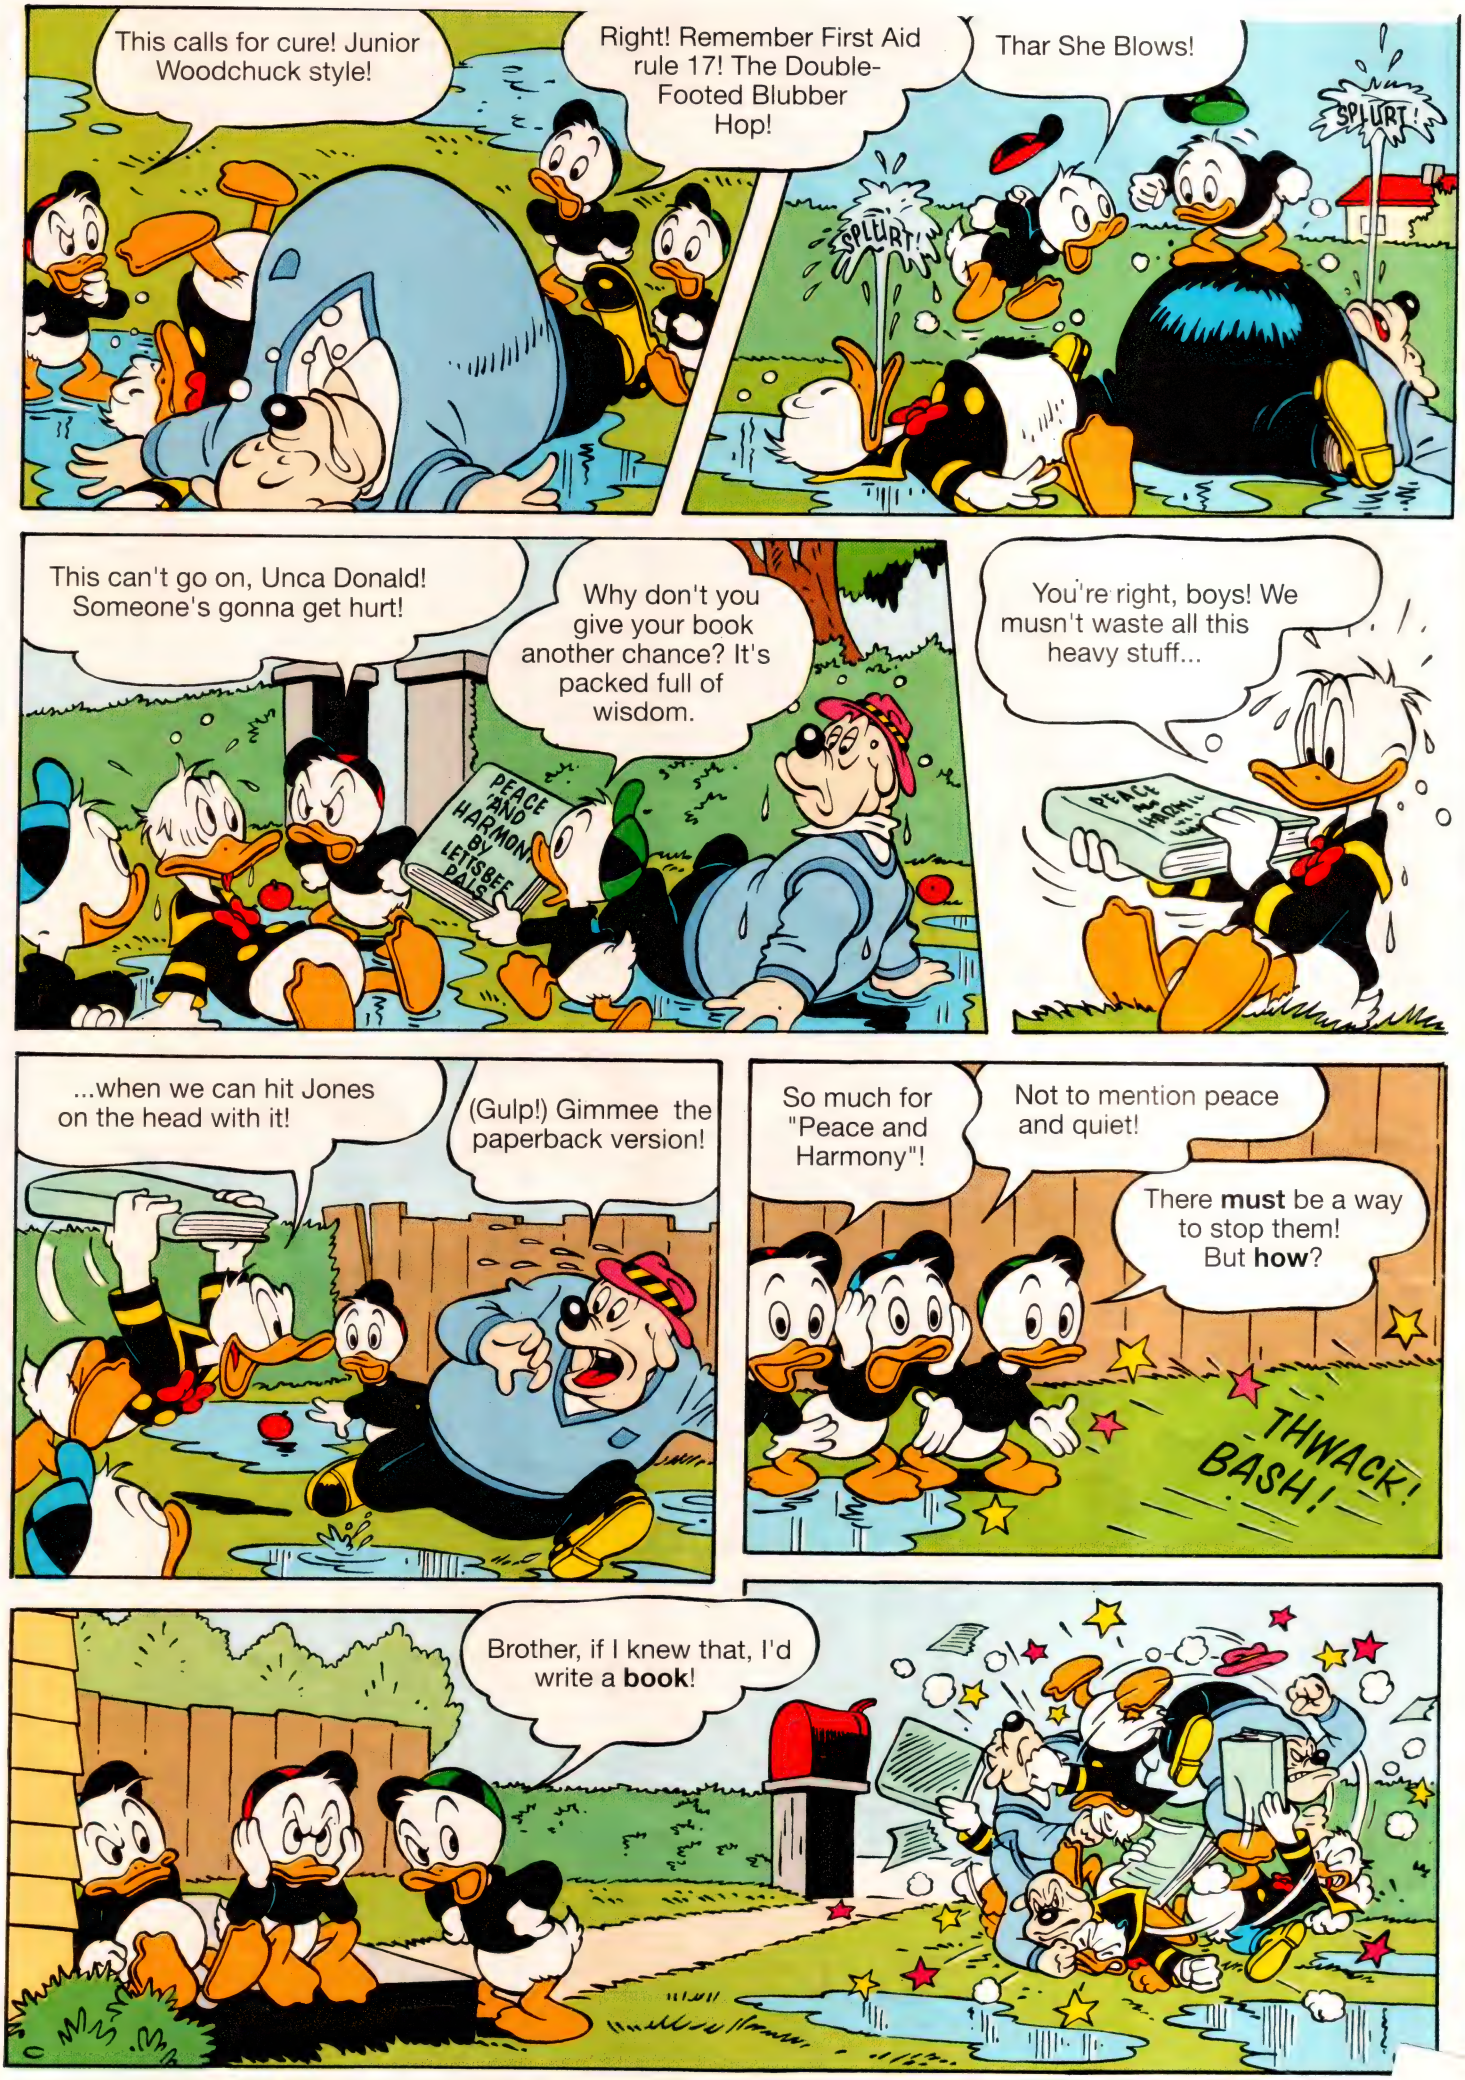
I'm being swept out to sea! I'll never see that duck again!



CRAASH!



Some time later...
The water's almost gone!
Hurry! I'll bet those two beached whales need pumping out!



This calls for cure! Junior Woodchuck style!
Right! Remember First Aid rule 17! The Double-Footed Blubber Hop!
Thar She Blows!
SPLURT!
SPLURT!
This can't go on, Unca Donald! Someone's gonna get hurt!
Why don't you give your book another chance? It's packed full of wisdom.
PEACE AND HARMONY BY LETSBEE PALS
You're right, boys! We musn't waste all this heavy stuff...
...when we can hit Jones on the head with it!
(Gulp!) Gimmee the paperback version!
So much for "Peace and Harmony"!
Not to mention peace and quiet!
There **must** be a way to stop them! But **how**?
THWACK! BASH!
Brother, if I knew that, I'd write a **book**!

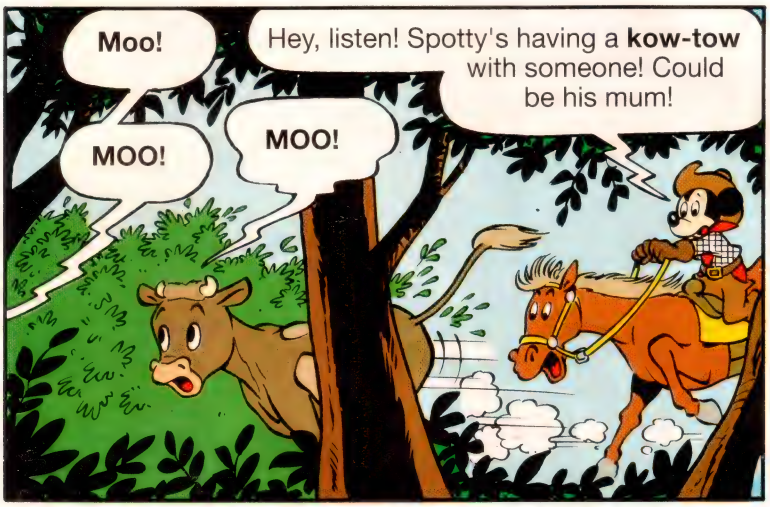
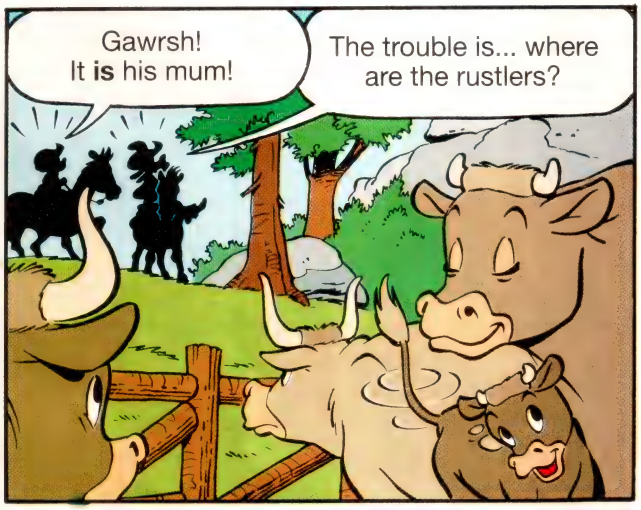
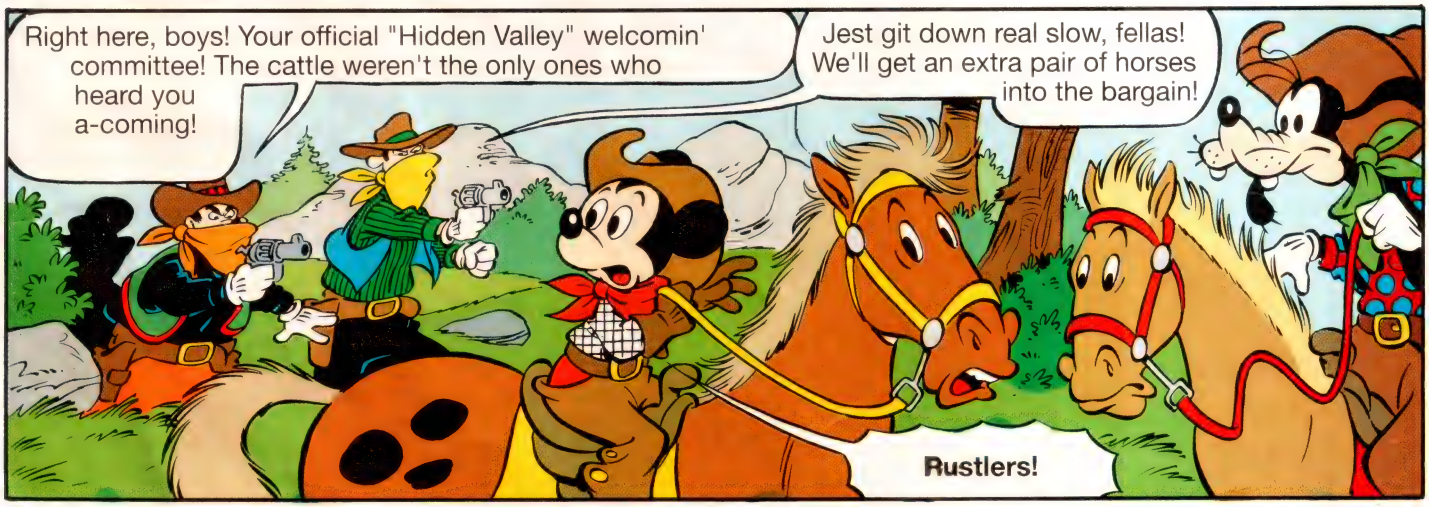
Shortly...
This valley's really something, Goofy! It looks like a real "Rustlers Retreat"!
And Spotty's still hot on the trail!



Moo!
MOO!
MOO!
Hey, listen! Spotty's having a **kow-tow** with someone! Could be his mum!

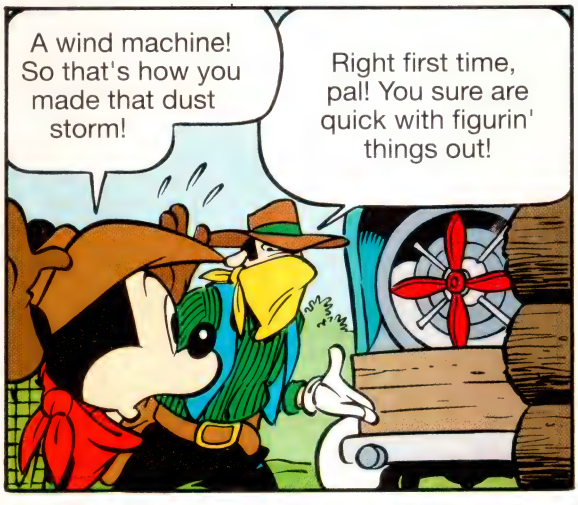


Gawrsh! It **is** his mum!
The trouble is... where are the rustlers?



Right here, boys! Your official "Hidden Valley" welcomin' committee! The cattle weren't the only ones who heard you a-coming!
Jest git down real slow, fellas! We'll get an extra pair of horses into the bargain!
Rustlers!

You boys jest keep your hands in the air and we'll make sure you feel right at home!

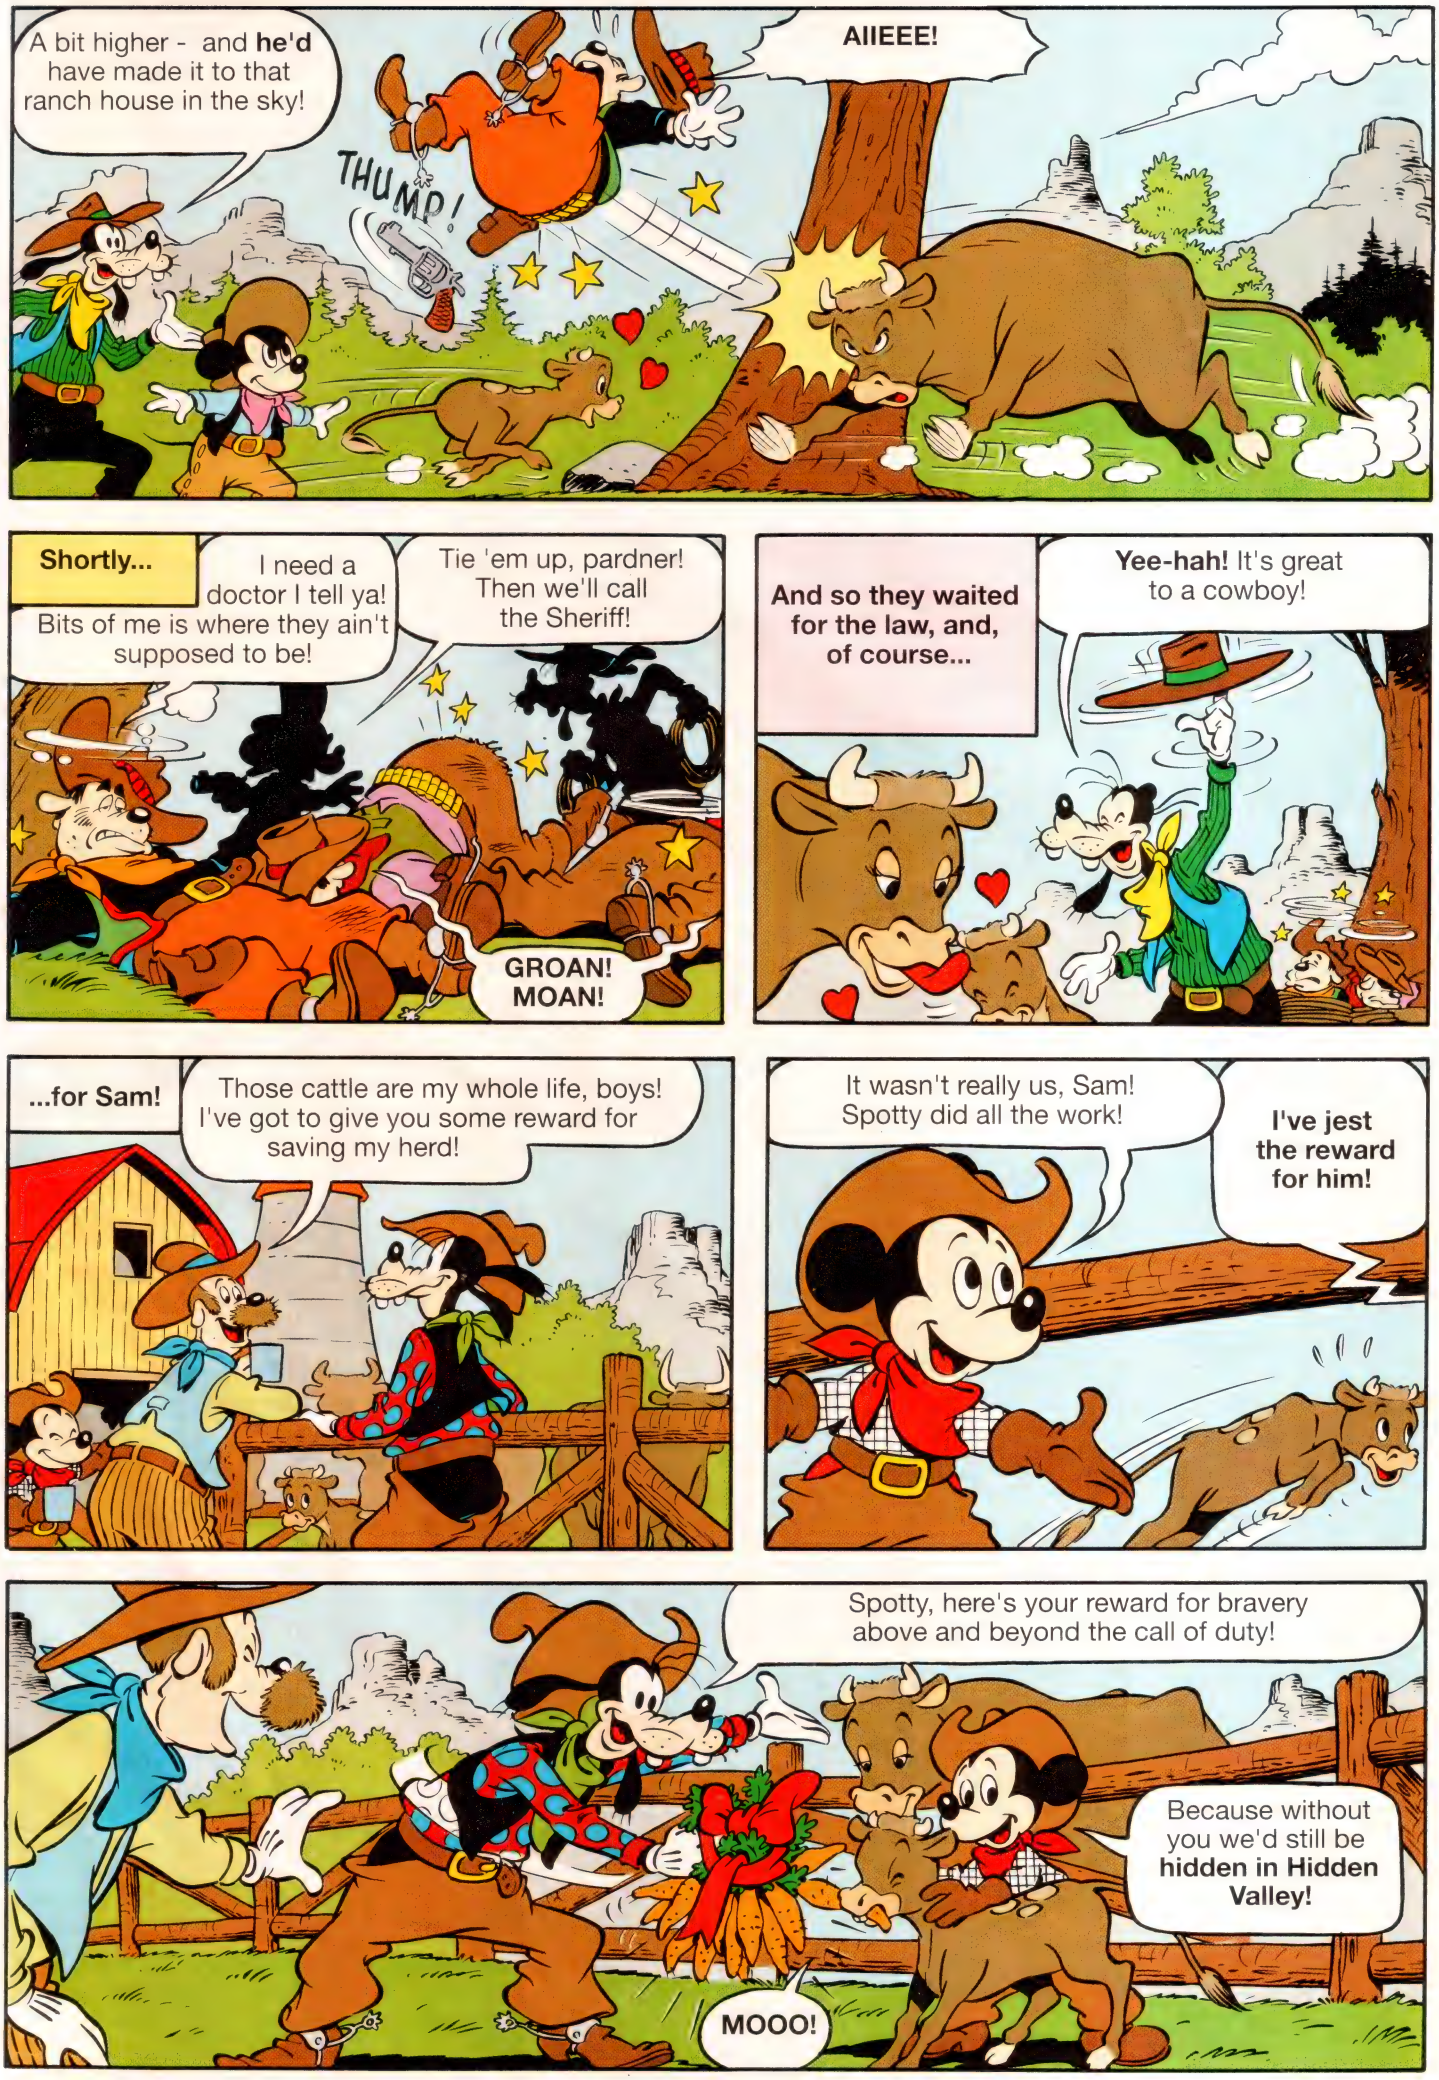


A wind machine! So that's how you made that dust storm!
Right first time, pal! You sure are quick with figurin' things out!

We're gonna have to leave you two boys all safe and snug right here! 'Cause soon as our truck gets here, we're gonna load up the cattle and vamoose!
But don't you worry! With a bit of luck someone should find you in a month or two!
An hour later...
(Sob!) In a month or two? Mickey, this is just...
Shh! Someone's coming!
RUSTLE!
...awful!
Who's there? Who's there?
Phew! It's only Spotty!
Hey, hang on, Goofy! Do you have some carrots left?
I stuck one in my back pocket, as a reward for Spotty!
Moo!
Quick! Hold your hands next to it!
Grunt! Good boy, Spotty! Have a nice carrot, and a bit of old rope for dessert!
MUNCH!
He didn't even scratch me!
Quick! Untie me! We've got to get after those rustlers while there's still time!
SNAP!

Soon...
The truck's here! You two get ready to load when I call!
Sure boss!
But these two won't be doing any loading!
Durr!
Minutes later...
We need to find our horses and get help somehow!
Uh-oh!
You two! Git the cattle out of the corral! Time we wuz rollin'!
What'll we do?
We're gonna let'em out... real fast!
YEE HAH! YIP-YIP!
AAGH!
NEIGH!
Mickey?
MOO!
SPLASH!
CRASH!

Another one bites the dust!
UNNFF!
GASP! SPOTTY!
Moo!
THUNDER!
SMACK!
Gawrsh!
RUMBLE!
HELP!
Go on, you snorters! Give it to 'em
THUNDER!
RUMBLE!
(Clatter!) Ah reckon it's a stampede!
Sure is! And it's going the way we want it!
SNAP!
UNNGH!
CLATTER!
CREAK!
You cowboys jest drained the last drop of patience outta my kind heart!
But Spotty's mother came back for her baby...
It's time you and that junior steak paid a visit to the great ranch house in the sky!
Mooo!



A bit higher - and **he'd** have made it to that ranch house in the sky!
THUMP!
AIIEEE!
Shortly...
I need a doctor I tell ya! Bits of me is where they ain't supposed to be!
Tie 'em up, pardner! Then we'll call the Sheriff!
GROAN! MOAN!
And so they waited for the law, and, of course...
Yee-hah! It's great to a cowboy!
...for Sam!
Those cattle are my whole life, boys! I've got to give you some reward for saving my herd!
It wasn't really us, Sam! Spotty did all the work!
I've jest the reward for him!
Spotty, here's your reward for bravery above and beyond the call of duty!
Because without you we'd still be **hidden in Hidden Valley!**
MOOO!

TRICKS 'N' THINGS

WINTER VISITORS

Re-arrange the words in each of these three groups to form the names of animals which are associated with winter: borin; drereine; ketyur!

Answer: Robin, reindeer, turkey.

In which games are these terms used: chukker, mate, break, set, double-top?

Answer: polo, chess, pool and snooker, tennis, darts.

TONGUE TWISTER

Try this on your friends: "Fred fled from fifty fluttering fireflies"

THAT'S NOT A BOOK!

For this trick you need five different sized books. Ask a friend to look at the covers of each one and feel them in their hands. Then blindfold them and lay all five books out in a line on a table. They must now identify each book by touch, calling out the name and the author. What your friend doesn't know as they go along the line of books, is that you've substituted the last one for a bowl of cold water, into which they unsuspectingly plonk their hand!

Sweet 'n' High!

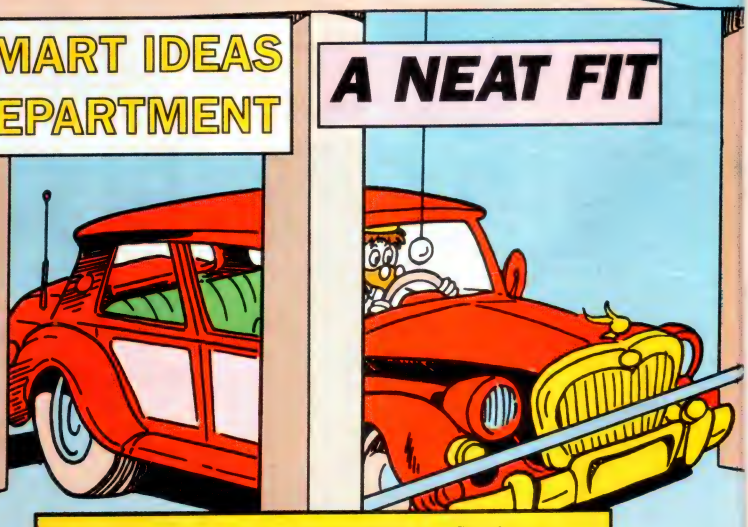
RECORD LUMPS

How high can you pile sugar lumps, one on top of the other, before the pile tumbles? See if you can beat Donald's success rate below!

8 lumps	No good
12 lumps	Not bad
15 lumps	Pretty good
18 lumps	Mega-brill!

SMART IDEAS DEPARTMENT

A NEAT FIT

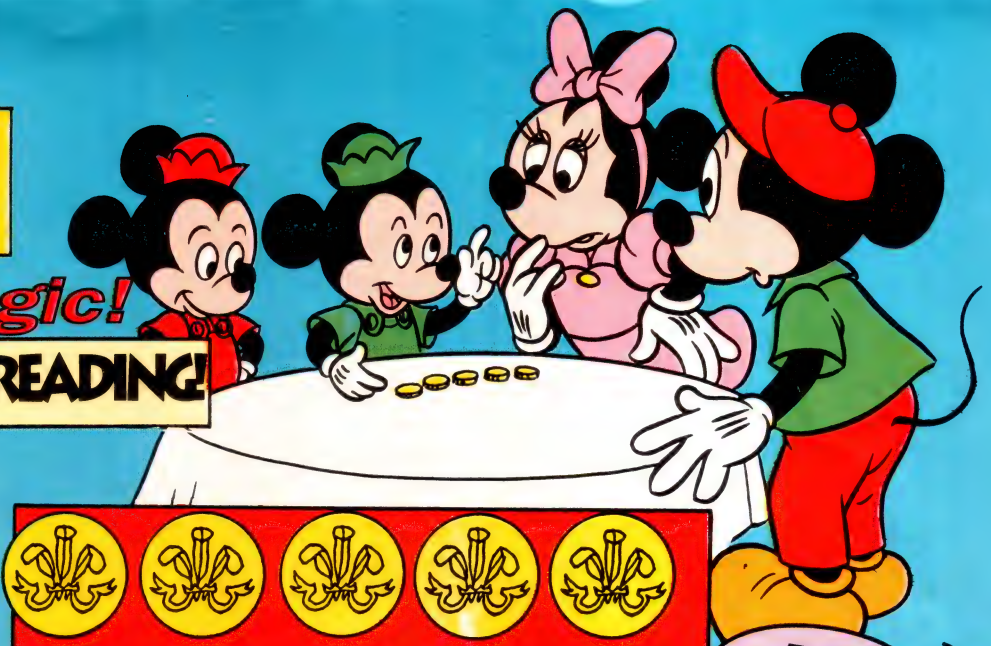


Do you have one of those garages that just fits the car, with hardly a centimetre to spare? Here's a way to take the pain out of parking. Just suspend a tennis ball from the garage ceiling, so that the ball touches the windscreen at the exact point where the driver has to stop.

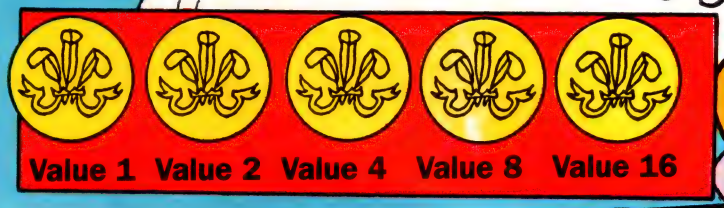
Can you divide three pounds between two mothers and two daughters, so that each gets £1? Answer: Yes - between a grandmother and her daughter, who also has a daughter!

Simple Magic!

AMAZING MIND-READING!



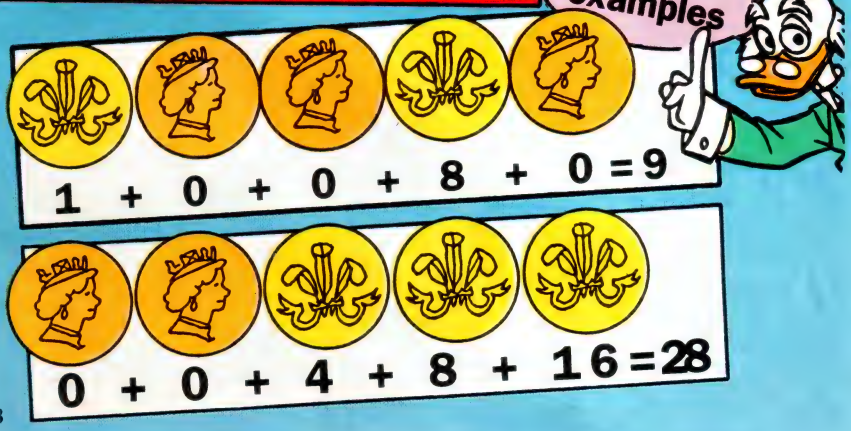
You need an accomplice for this trick who's good at adding up! Send the accomplice out of the room and invite your audience all to agree on a number between 1 and 30. You all agree to keep the chosen number secret. The accomplice comes back into the room and straightaway amazes everyone by thought-reading the secret number!



How it's done: Before your accomplice leaves the room you've laid five 10p pieces on a table. You and your accomplice have worked out (secretly, of course!) that each coin has a value - shown in the top panel here: 1st coin = 1; 2nd coin = 2; 3rd coin = 4; 4th coin = 8; 5th coin = 16. But, and this is important, the value only counts when the 10p side of the coin is shown. If the Queen's head is showing, the value becomes 0.

When your accomplice is out of the room you set the coins to equal the value of the number agreed by the audience. So, when the accomplice returns, they "read" the number through the coins!

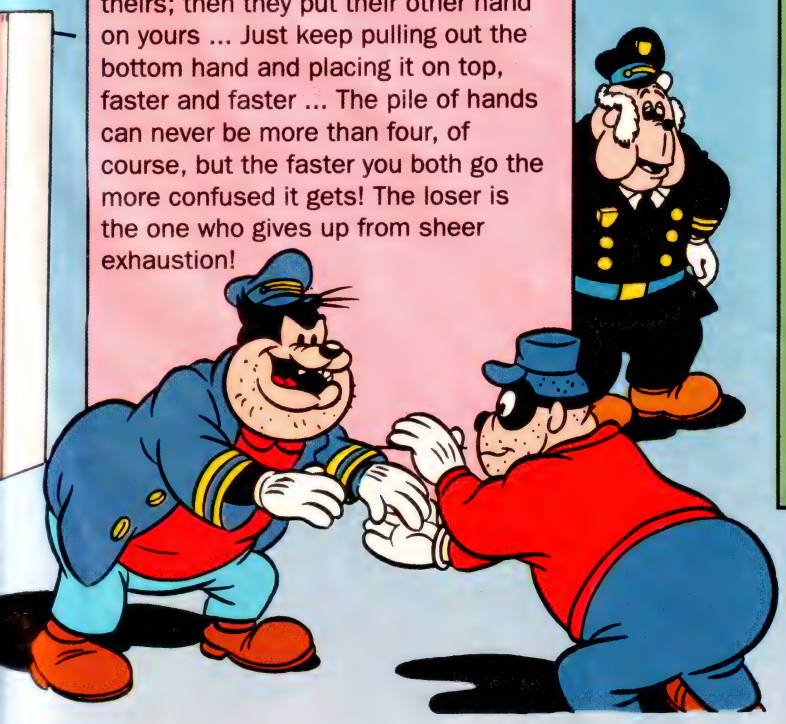
Two examples of how this works are shown in panels 2 and 3 on the right, where the number thought of is either 9 or 28. But you can "code" the coins for any number between 1 and 30.



GAMES TO PLAY WITH FRIENDS

ALL HANDS ...

Stand opposite your partner with your hand outstretched, palm upwards. Your partner puts their hand on your palm; you put your other hand on theirs; then they put their other hand on yours ... Just keep pulling out the bottom hand and placing it on top, faster and faster ... The pile of hands can never be more than four, of course, but the faster you both go the more confused it gets! The loser is the one who gives up from sheer exhaustion!



Tip of the week

... AND NO BLUE FINGERNAILS!

When you're hammering a nail into wood make yourself a wooden finger protector like Goofy's. The hole in the protector should be large enough to slip over any nail, and small enough to hold any nail straight. Saves hitting your fingernail!

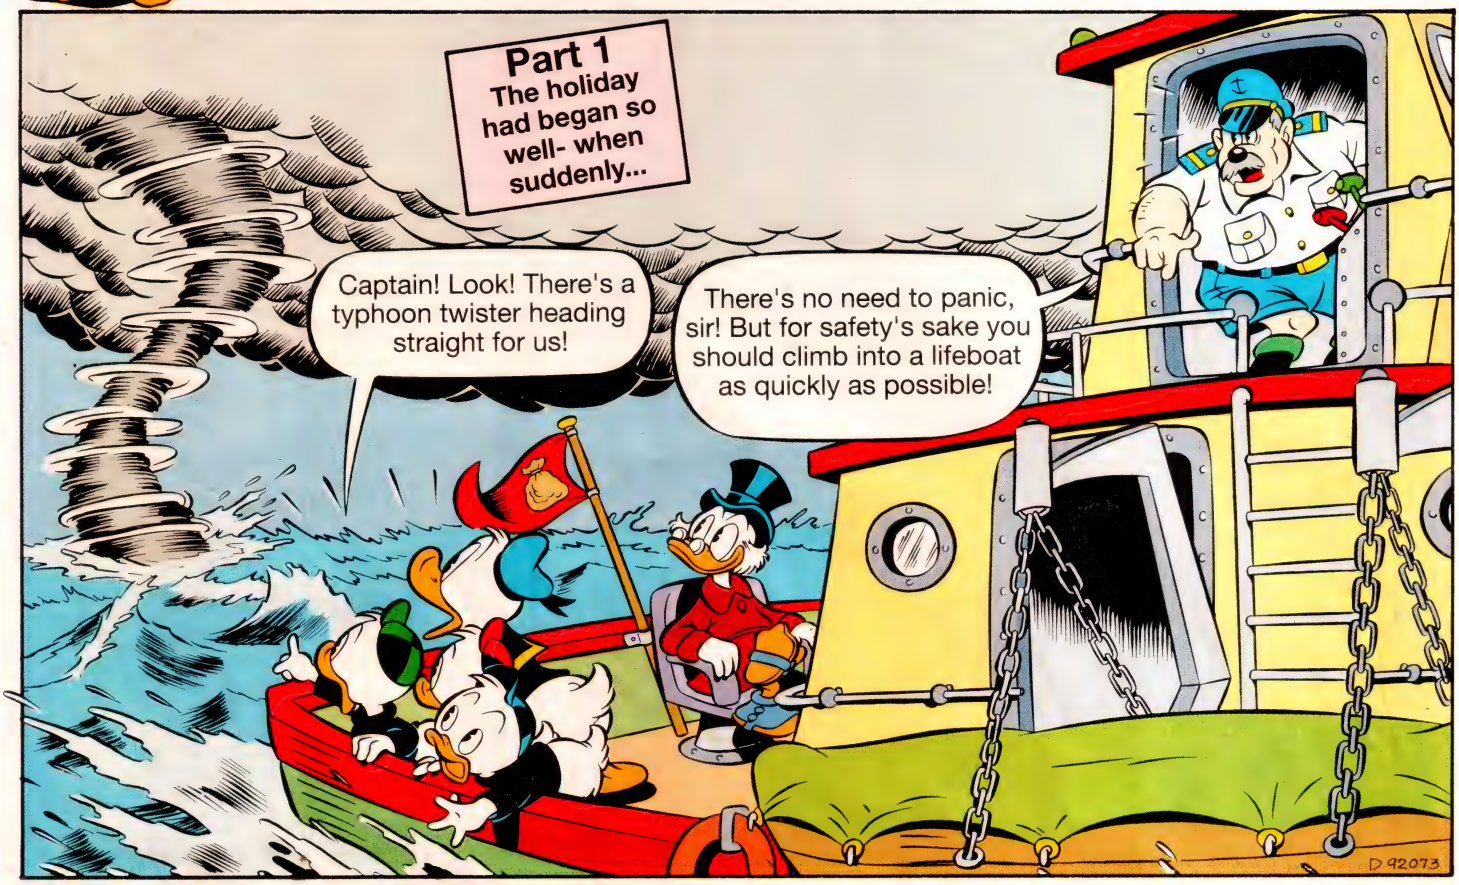
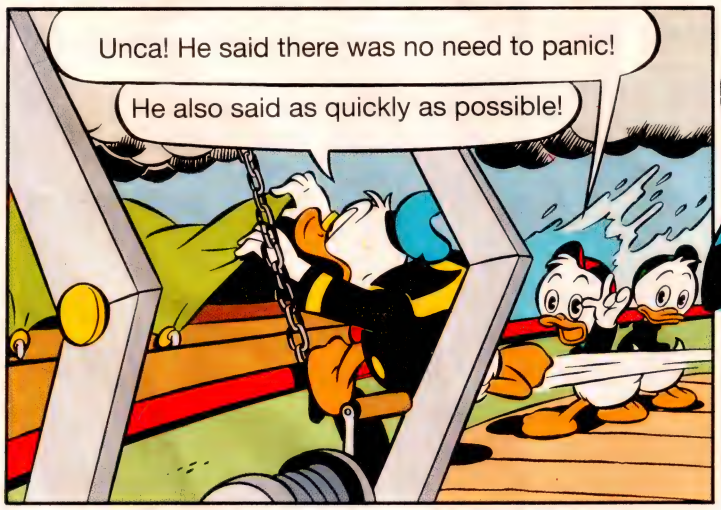
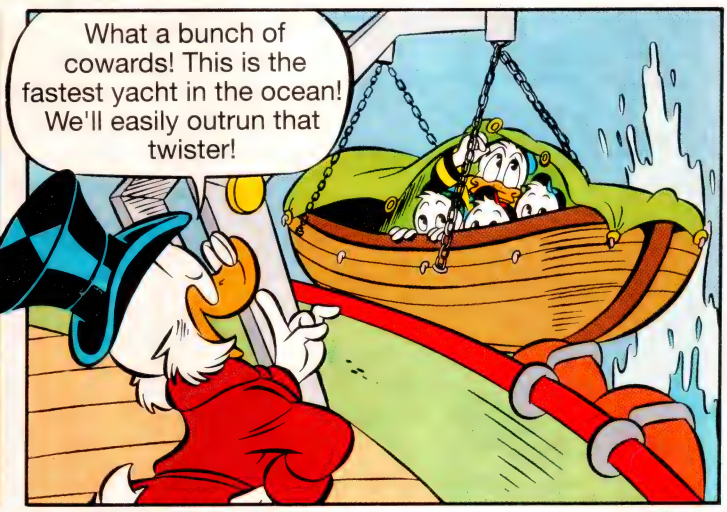
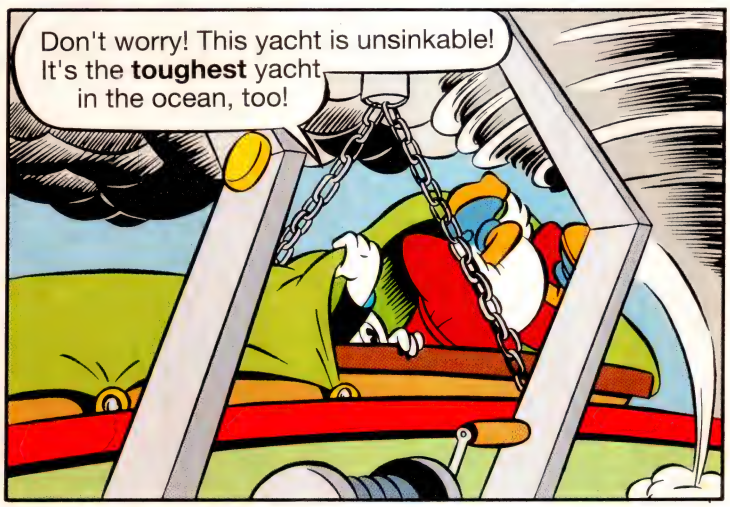
A-Hunting We Will Go!

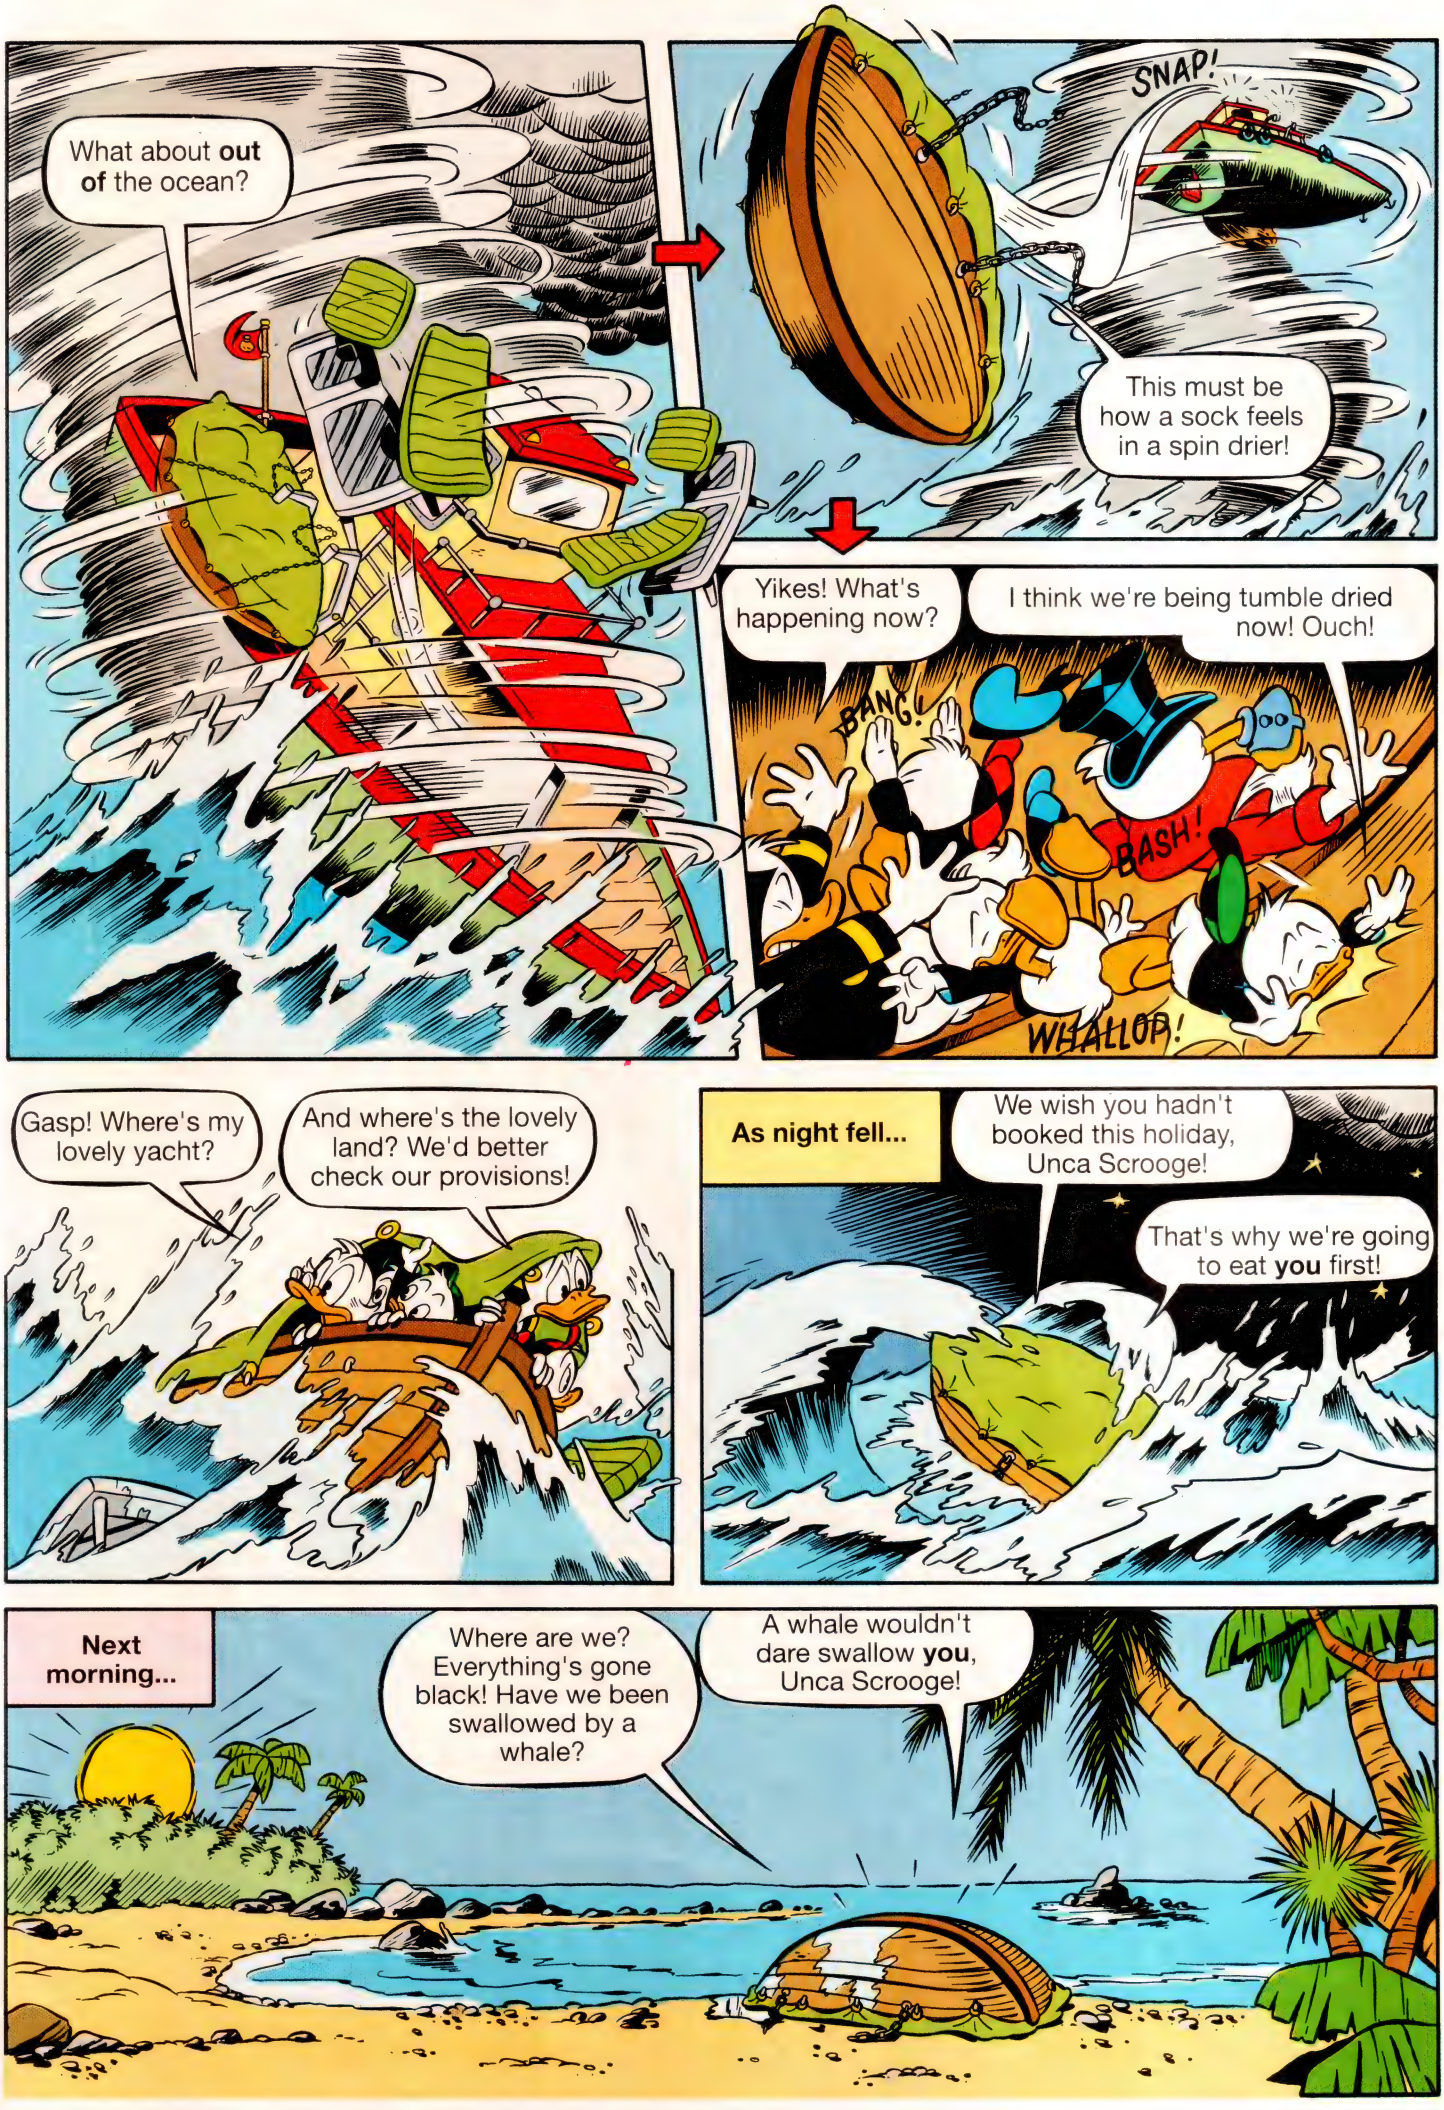


Part 1
The holiday had began so well- when suddenly...
Captain! Look! There's a typhoon twister heading straight for us!
There's no need to panic, sir! But for safety's sake you should climb into a lifeboat as quickly as possible!
D 92073

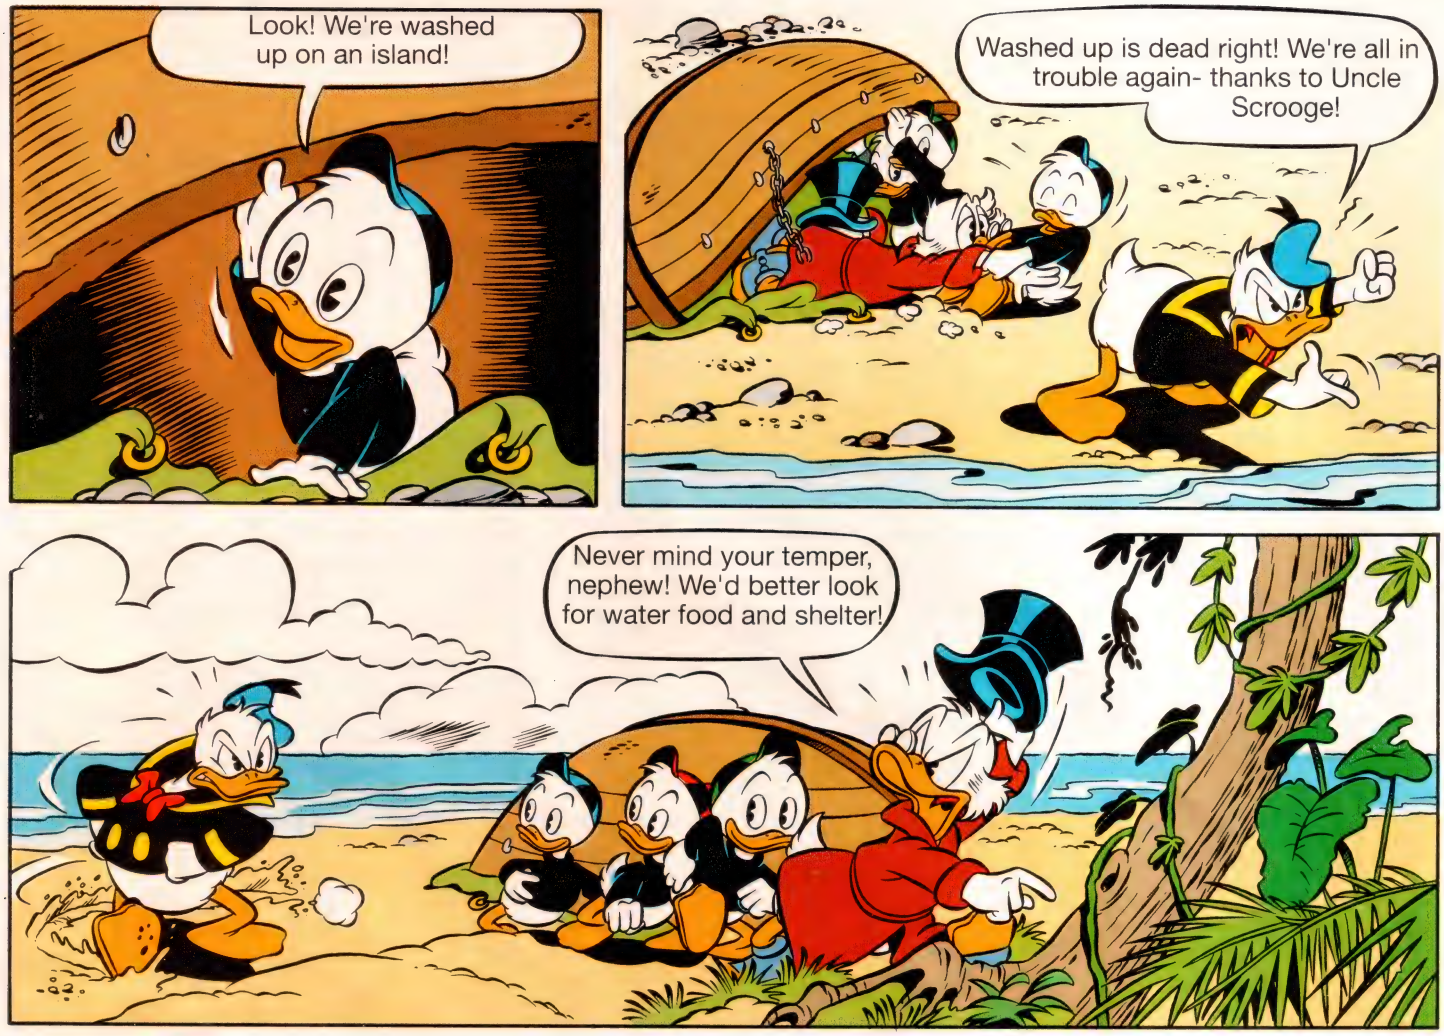






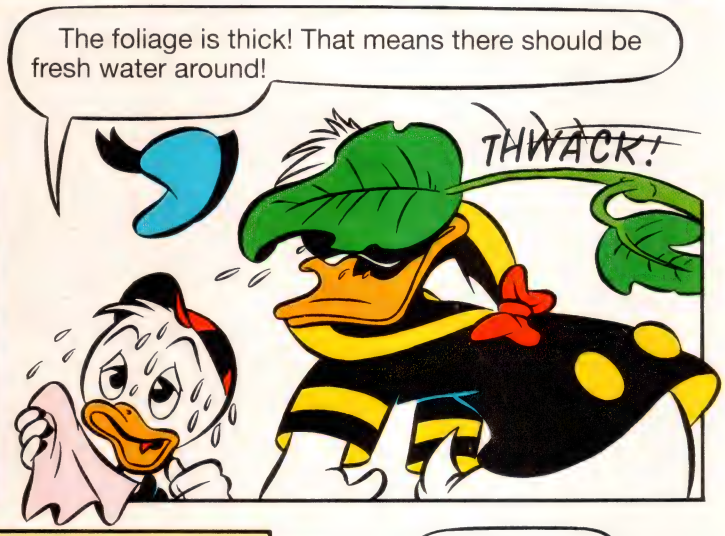


What about **out of** the ocean?
SNAP!
This must be how a sock feels in a spin drier!
Yikes! What's happening now?
I think we're being tumble dried now! Ouch!
BANG!
BASH!
WHALLOP!
Gasp! Where's my lovely yacht?
And where's the lovely land? We'd better check our provisions!
As night fell...
We wish you hadn't booked this holiday, Unca Scrooge!
That's why we're going to eat **you** first!
Next morning...
Where are we? Everything's gone black! Have we been swallowed by a whale?
A whale wouldn't dare swallow **you**, Unca Scrooge!

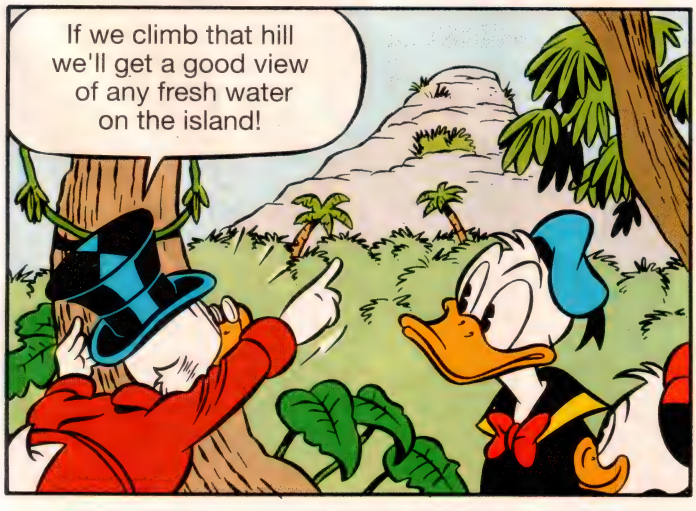


Look! We're washed up on an island!
Washed up is dead right! We're all in trouble again- thanks to Uncle Scrooge!
Never mind your temper, nephew! We'd better look for water food and shelter!

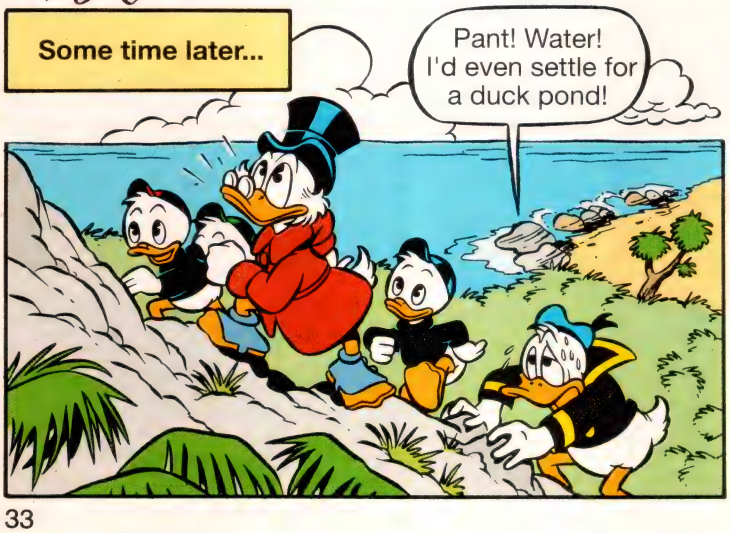
Soon...
Isn't there a proper path we could take?
This island might well be deserted! There don't seem to be any animals!
SWISH!!



The foliage is thick! That means there should be fresh water around!
THWACK!



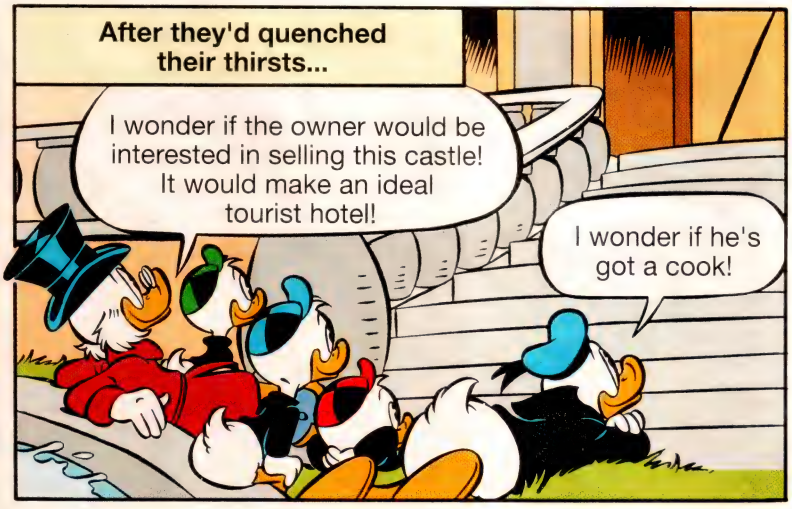
If we climb that hill we'll get a good view of any fresh water on the island!



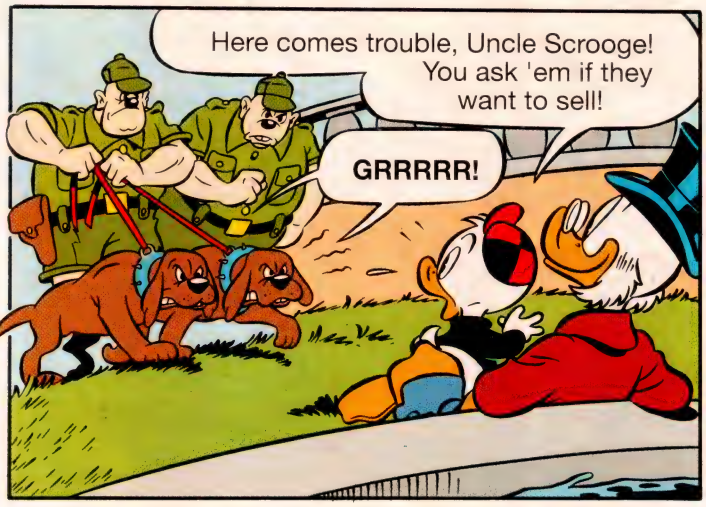
Some time later...
Pant! Water! I'd even settle for a duck pond!

And then...
Wow!
I don't believe it!
Water!
Yippee! That castle looks good enough to be a five-star hotel!

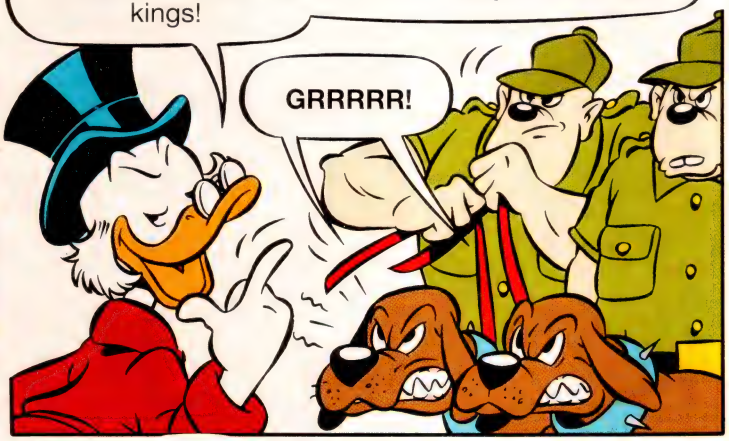
Do you always have to overdo things, nephew?!



After they'd quenched their thirsts...
I wonder if the owner would be interested in selling this castle! It would make an ideal tourist hotel!
I wonder if he's got a cook!



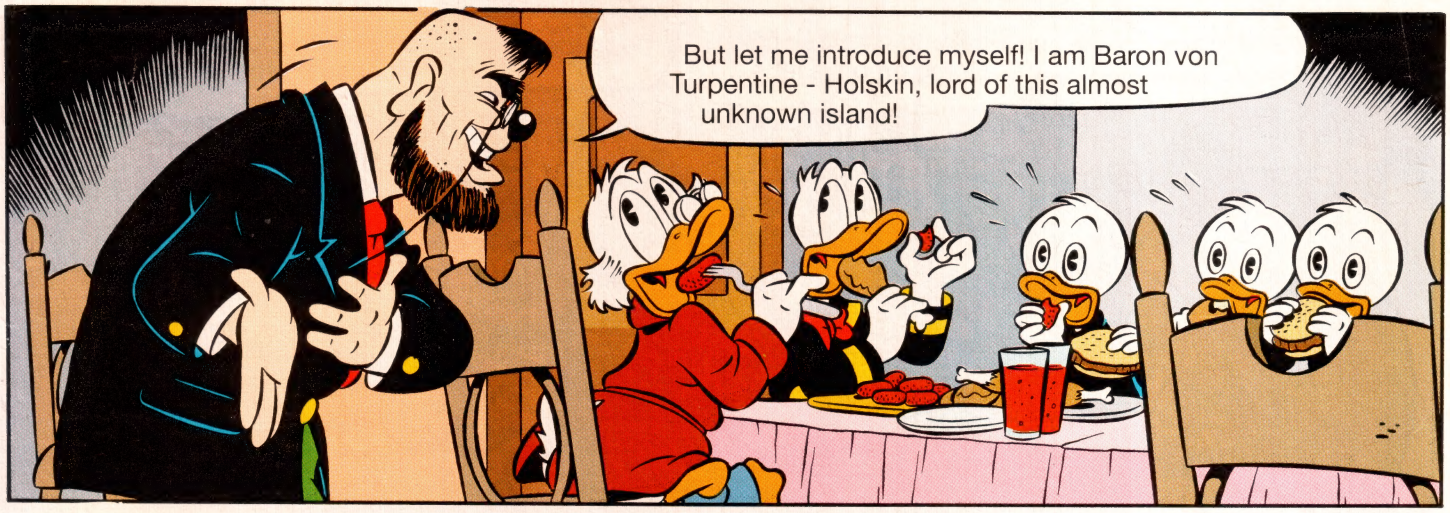
Here comes trouble, Uncle Scrooge! You ask 'em if they want to sell!
GRRRRR!



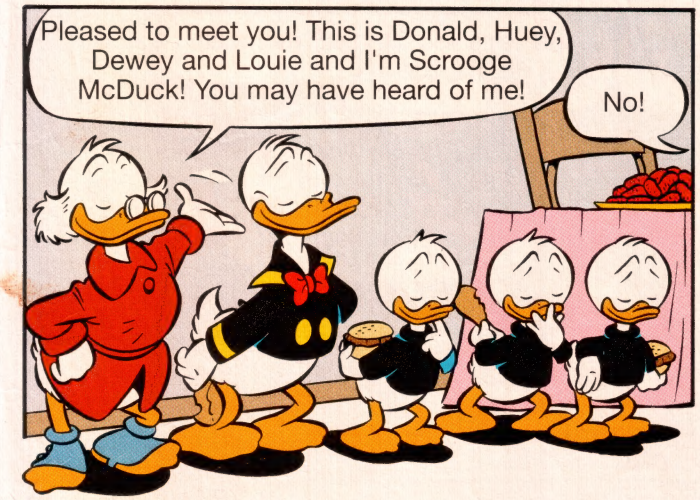
It's ok! When I tell them who I am they'll treat us like kings!
GRRRRR!

But...
You must have heard of me! I'm the world's richest millionaire!
A little later...
This must be the dungeon! The next thing'll be the gallows, you betcha!
They obviously don't speak our language! Once they learn who I am we'll be alright!
But, if they don't speak our language, who's going to tell them?
Some time later...
Follow me, you guys! Now!
Well, there goes the foreign language theory!
Maybe "Follow me you guys!" is all the English they know!
I don't like the look of all these axes!
Where do you think we're going?
To our executions!
Get in there!
Must we? Isn't there somewhere a bit more comfy!
You've got twenty minutes to clean yourselves up!
Don't we even get a last request? Like can I have my head back when you've chopped it off...

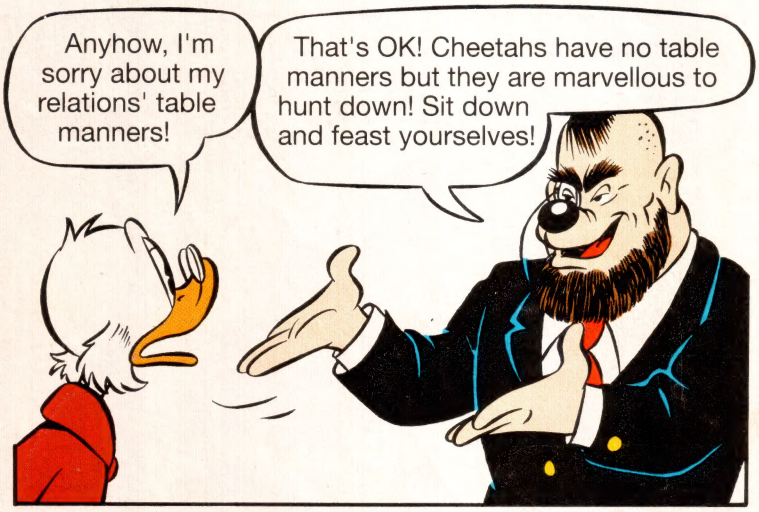
...'Cause I need it to see me through next week... WOW-EE!
Ah! This is more like it!
Yikes! Our new dungeon's got an en suite bathroom!
Twenty minutes later...
The master will see you now!
Hooray!
What a...
...nosh!
Yummy!
Let me at it!
For goodness sake! Remember your table manners? Our host will think we're animals!
SLAM!
Animals! Ha! Ha! Ha!
Are we not all animals under the skin?



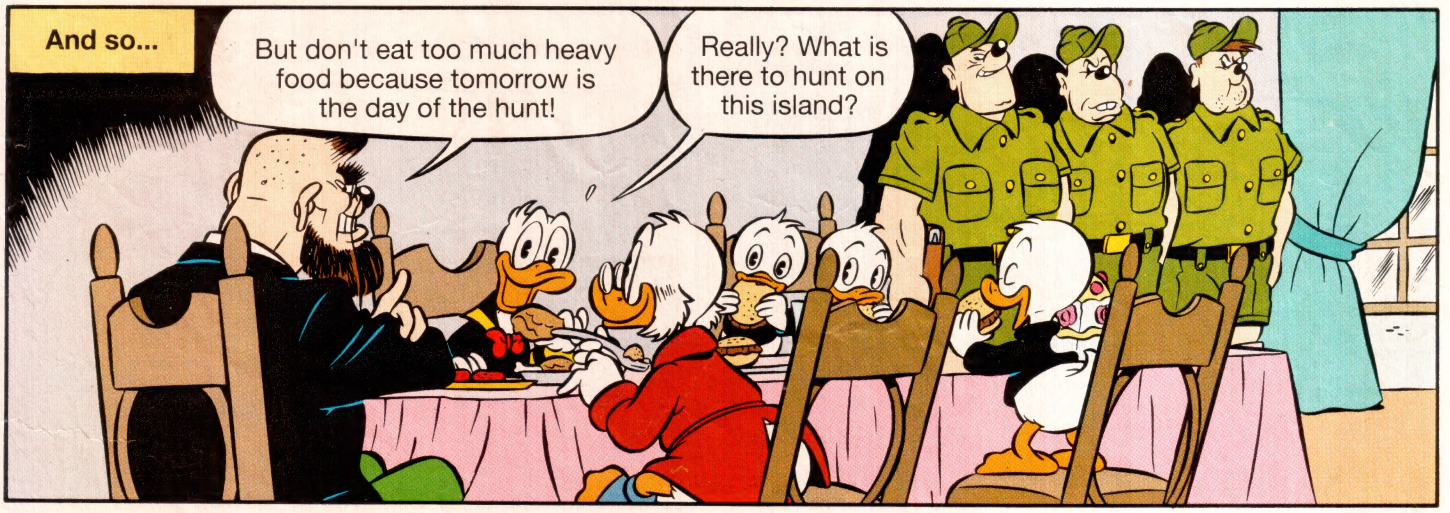
But let me introduce myself! I am Baron von Turpentine - Holskin, lord of this almost unknown island!



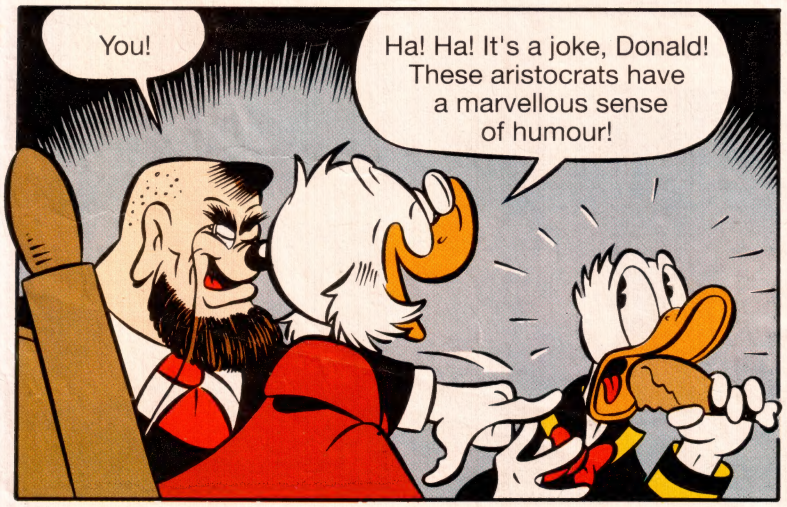
Pleased to meet you! This is Donald, Huey, Dewey and Louie and I'm Scrooge McDuck! You may have heard of me!
No!



Anyhow, I'm sorry about my relations' table manners!
That's OK! Cheetahs have no table manners but they are marvellous to hunt down! Sit down and feast yourselves!



And so...
But don't eat too much heavy food because tomorrow is the day of the hunt!
Really? What is there to hunt on this island?



You!
Ha! Ha! It's a joke, Donald! These aristocrats have a marvellous sense of humour!

I mean what I say! Unfortunately this island has no animals left so there's only you ducks left to hunt!
Thank you for arriving so conveniently!

If you want to hunt us, you'll have to catch us first! Come on boys let's...
Oh, dear!
Don't waste too much energy! The hunt starts tomorrow at dawn!
I will give you an hour's start! If I haven't caught you by sunset you'll be free to leave this island!
And if you catch us before then?
Then this will be your last meal! Ha, ha, ha!
I take back what I said! Aristocrats have a dreadful sense of humour!
Next morning...
This is an outrage! How can you call yourself civilised?
I don't! And I wouldn't waste your breath if I were you! Your hour head-start has already begun!
We're ducks! Not animals!
Come on, Uncle Scrooge! Don't waste your breath! He's too pig-headed to listen!
Run for it... or we'll be supper for a savage!
Yikes! I'm too old for this!

Can the ducks win this race for their lives? More next week!
